REPORT ON NORTH CAROLINA COLLEGES

Please take note that this report has been defined as "Report on North Caroline Baptist Colleges". Today we are directly concerned with the roll and ministry of our seven Baptist Colleges—Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest, and Wingate.

We are not satisfied to have only a good college, nor even a good *Christian* college. There must be characteristics which are distinctive to the Baptist faith. Our colleges should offer opportunity for a thorough study of Baptist history and doctrine.

Our forefathers set about to provide colleges where Christian education would be provided, not only for ministers and other church leaders, but for leadership in all areas of social activities.

North Carolina Baptists have been pioneers to preserve Christian education. The struggle for these colleges as the hope of providing Christian education for young men and women must never stop if our Baptist people wish to have a significant roll in shaping the kind of world we are to have. There can be no Christian homes and churches in today's world when we cease to provide Christian education in Christian Colleges.

The principal characteristic of a Christian College is to be found in the men and women who constitute the personnel—not in buildings and subject matter.

These people in our colleges constitute the very fabric into which every worthwhile experience must be woven. As Baptists, we must give serious thought to this important matter of providing people for operating colleges. Perhaps we should make it possible for our most capable and promising young people to continue their education and prepare to become our teachers and leaders of tomorrow.

There are approximately 8,000 regular students enrolled in our Baptist Colleges, with another 2,000 who do special work and come for summer school. Two-thirds of these are Baptist young people and the other third are of other denominations. We are happy to help this group from other churches because three-fourths of all Baptist youth in college are in other than Baptist Colleges. This is why we must be careful to continue to provide a good ministry through the Baptist Student Union in all colleges. Of the Baptist students attending one of our seven colleges, *one out of eight* students is preparing either for the ministry or some church-related vocation. Here we find our seed corn for the kind of Baptist Harvest we may expect to reap in the future.

The annual operating budgets of these seven colleges total between eleven and twelve million dollars. Students pay over half of this amount and Baptists through the Cooperative Program last year paid about five per cent. Other sources include endowment income, net earnings from dormitories, dining room, student centers, etc. In addition to these costs for operation, the colleges are spending several million dollars each year in expanding and improving their physical plants and equipment.

A special convention committee of 21 members have adopted a Program of Advance for 1962-64, through the Cooperative Program. The carrying out of this program will give the colleges in the next three years more than $8,000,000 for plant expansion and improvements and nearly $1,000,000 for new student centers in other colleges. At no time in their history has there been greater interest in the importance of the work of these colleges among our lay-people. We should join in this undertaking. Now what can we do to help?

(1) Be informed and concerned. Read about our colleges, visit them, become acquainted with the administration, faculty, and students.
(2) Encourage your best students to attend.
(3) Pray for these schools.
(4) Support the Cooperative Program, especially the Program of Advance.
(5) Promote and support Christian Education Day in your church.

We usually refer to this report as Christian education in the broader sense, denoting every type of training and activity which we provide in our homes, churches, communities, schools, colleges, and seminaries for the purpose of Christian growth. Our goal then should be to provide our children from very birth with an envirnment that is totally Christian.

Oren J. Elms

10. ADDRESS: The Rev. Bill McBride, Assistant to the President of Chowan College, addressed the Association on "Christian Education in the Modern World."

11. The presiding officer, the Rev. Curtis Knowles read a letter from Mr. Leon B. Perkinson, Moderator.

LETTER FROM OUR MODERATOR

Dear Messengers and Friends of Flat River Baptist Association,

It is with deep regrets and sincere apologies that I am unable to be with you at this one hundred sixty-eighth annual session of the Flat River Baptist Association. My term of office as Moderator has been a thrilling and challenging experience, but with all these experiences, I had looked forward to this occasion as being the highlight and climax of the year's work. However, I have been selected by my superiors to attend a business meeting in Omaha, Nebraska during this time and find myself under obligation to this selection.

This has been a most fruitful year for me, and I wish I could thank each of you personally for the many kindnesses and courtesies extended me and for the many opportunities afforded me to visit with you. I now believe what has been said to me many times by Pastors and Laymen—"that the best people in the world make up this fine group". I have visited in fourteen of the churches in this Association, with the opportunity in each of them to participate in your services and this has been most gratifying to me. I intend to continue my visiting with or without invitation, for these visits have helped me to grasp some of the problems as well as observe the good work that is being done.

The churches of Flat River Baptist Association are doing a wonderful job in promulgating the gospel and providing the religious atmosphere so vitally needed, but, as in all fields of endeavor, there is still much to be done. With the aid and assistance of a Promotional Director such as ours, we can become even stronger influences for good, not only in our own churches, but throughout the world and after all, is not that our main purpose—to spread the gospel even unto the uttermost parts of the earth? Arch Cree has done the work and he should be given the credit, for never have I seen anyone so zealous, so devoted to the task assigned to him. With his guidance and our support, this Association can accomplish great things in the coming year.

May God's richest blessings rest upon you in your deliberations of this session.

Sincerely yours,
Leon B. Perkinson

12. The Rev. H. W. Baucom, Jr. took the chair while the Rev. Curtis Knowles read the Report of the Executive Committee which was adopted.

REPORT OF EXECUTIVE COMMITTEE

The quarterly meetings of the Executive Committee were held as scheduled with at least a quorum present at each meeting to transact business. Due to the well organized and well planned program of our annual associational meeting held last October, the Executive Committee began the year of 1960-61 with a minimum of business. The Committee of Committees nominated a Missions Committee of 9, an Evangelism Committee of 7 and a Budget Finance Committee

of 6 which were approved at our first meeting and began work immediately. The Executive Committee had previously recommended a one day Spring meeting of our Association which was approved by the Association, and the Executive Committee was instructed to complete the plans for that session.

As reported last year, one of our greatest concerns was finances. Due to the cooperation of our churches and the effective work of the Budget and Finance Committee, I am proud to report that our bills are almost paid to date and we can start the new year off in fairly good condition.

It is gratifying to note that interest in our Association is increasing as evidenced by the attendance at our Associational programs and the support, both financially and morally given the Association by our churches.

The highlight of the year's work was our Spring Session, which was well represented, especially by our ladies, many of the men being occupied with "spring plowing". The program was based on "Stewardship" and the messages from Dr. Leroy Parker, Dr. Douglas Branch and Dr. Carl Bates inspired all who were priviledged to attend.

The Missions Committee recommended to the Executive Committee that Pastors, Brotherhood Presidents and W. M. U. Presidents be advised of the needs of our Tungsten Church in the hope that churches and individuals would be interested in doing some mission work. The Promotional Director was instructed to act in behalf of this committee in carrying out this action.

Several of our Pastors left our Association during the year and since they held certain positions in the Associational Organization, the proper Committees were requested to bring nominations for the office of Song Leader, Chairman of Resolutions Committee and Chairman of Evangelism Committee. Rev. Bob Shepherd was nominated for Song Leader. Rev. Norman Bennett as Chairman of Resolutions Committee and Rev. Clyde Pearson as Chairman of Evangelism Committee. All were elected. The Time, Place and Preacher Committee was empowered to select the alternate preacher for the Associational Sermon in the absence of Rev. Frank Campbell who has moved from our Association. Rev. Norman Bennett was selected for this task.

In view of the high cost of printing and the uncertainty of the number of minutes desired by the churches, the Executive Committee adopted a motion to request all churches to purchase the number of copies desired at 50¢ per copy, thereby defraying much of the printing expense. This has been put into action and the response of the churches is almost unanimous.

The Executive Committee recommends to you the adoption of the following matters which will be presented to you in the course of this Annual Meeting:

1. That the constitution be amended as follows:

Article 6—Duties of Executive Committee

Section I be changed to read as follows:

The Executive Committee shall be composed of all active pastors of the Association, all officers of the Association, all Chairmen of all Standing Committees of the Association and one representation of each of the churches in the Association with such representatives being named annually by the Churches, and the following, representatives, who will report at the annual associational meeting: State Missions, Home Missions, Foreign Missions, Baptist Colleges, Christian Literature, Cooperative Program, North Carolina Baptist Children's Homes, Christian Citizenship, the Annuity Board, North Carolina Baptist Hospital, North Carolina Baptist Homes, and other objects or agencies of denominational interest.

2. That an offering be taken at each monthly associational meeting to be placed in the Treasury of the Association.

3. That a Music Department be established to emphasize and enlarge our Associational Music Program.
4. The adoption of the budget as proposed by the Budget and Finance Committee.

Respectfully submitted,
Leon B. Perkinson, Moderator

———::———

13. Action was taken on recommendations contained in the Executive Committee Report as follows:
   a. Motion was made that recommendation No. 2—that an offering be taken at each monthly associational meeting and the receipts be placed in the associational treasury—be adopted and this motion was carried.
   b. Motion was made that recommendation No. 3—that a Music Department be established to emphasize and enlarge our Associational Music Program—be adopted and this motion was carried.
14. The Report of the Promotional Director and the Calendar of Activities for 1962 were brought by Mr. Arch Cree and both were adopted.

WITH YOUR PROMOTIONAL DIRECTOR

"Thank you", is most certainly our first thought toward you, our people of the Flat River Baptist Association, as we come to the end of another year of work together. You have been most gracious in many ways through your splendid cooperation.

We are indeed grateful to you for the fine fellowship we have enjoyed in your homes. Your gifts of food through "Poundings" and otherwise, and your many other eexpressions of love.

The cooperation of our Pastors and people has helped so very much in the promotion of our Lord's work in our churches and through our Association program. Upon invitations from you I have spoken 41 times in 24 churches, taught 20 training courses in 16 churches. Two Brotherhoods and two Training Unions have been organized in addition to a number of Young Peoples Organizations. Every church had Vacation Bible School and all reports have been received. 18. The Report on the American Bible Society was adopted.

AMERICAN BIBLE SOCIETY

Please listen to this earnest appeal of a Chinese college student: "We students want to know Jesus. We must have this book." Then listen to another who says: "Your English Bible speaks to my head, but my Chinese Bible speaks to my heart."

The words of those students express two basic principles of mission work which are true in all lands:

People must have the Bible because it presents Jesus Christ, the one hope of men and nations.

Each person must have the Bible in his own language because it speaks to his heart as no other language can speak.

The Bible is the essential tool of missions and evangelism. The missionary uses it in all his work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay on after he must leave—and keep on speaking to a person's heart. But, we must remember, *in most lands people cannot afford even the cost of printing the Scriptures.*

The American Bible Society helps missionaries to *translate* the Bible. It *publishes* without note or comment and distributes without profit, usually below cost. In cases of special need, at home and abroad, Scriptures are given without charge. The Bible Society is an active partner of Southern Baptists and serves every form of Southern Baptist work around the world.

During 1960 the American Bible Society—

—rejoiced that some part of the Bible has been published in 1165 languages; the full Bible in 221, a Testament in 277 more and a Gospel or other complete book in 667 more.

—gave over a million Scripture volumes for distribution by Chaplains to our Armed Forces and Veterans' Hospitals, as a vital link between the home churches and men in service.

—observed its 125th anniversary of supplying Scriptures for the Blind, far below cost, in Braille and other raised-letter systems and on Talking Book records.

—enlarged the ministry of the Finger-Fono, a phonograph operated by one finger, with Bible records in the languages needed, for use in areas throughout the world where many people cannot read. Records are now available in 30 languages and others are being prepared.
—helped the Korean Bible Society to realize their long-sought goal of distributing more than a million Scripture volumes in a single year; also rejoiced in the sustained interest in Japan where, for the last 5 years, Scripture distribution has averaged almost 2 million volumes.

Respectfully submitted,
Clarence H. Bishop

NAME CHANGE

The Relief and Annuity Board no longer exists-name-wise that is. The official name is now Annuity Board of the Southern Baptist Convention. Deletion of the words "Relief And" from the title was approved at the 1960 Southern Baptist Convention in Miami, and made official in March of this year, when trustees of the Board voted to change the Board's charter, incorporating the new name. Baptists over the Convention are urged to use the Board's new name.

NEW MEMBERS

Total new members in all the Annuity Board's plans in 1960 increased by nine per cent over 1959, with the largest increase, 2,053, being in the Southern Baptist Protection Plan. Total membership stood at 22,578 on January 1, 1961. More than 4,000 of the churches participating in the protection program are paying the full 10 per cent dues. This is an increase of 17 per cent over the previous year.

On April 1, 1961, six states had enrolled more than 70 per cent of their churches and pastors in the protection program. District of Columbia had the highest percentage, 94. Seven states were in the 60's, percentage-wise and 11 showed a participation of between 50 and 60 per cent. The remaining three were above the 45 per cent mark. Average participation of all states was 63 per cent.

BENEFITS

Benefits amounting to $2,754,613.60 were paid to more than 5,200 retired and disabled ministers and denominational workers or widows during 1960. A little more than 4,200 of these were beneficiaries of one of the Board's retirement plans, and the rest were on the relief rolls. Four hundred forty six were new annuitants, added in 1960. Since the Board's beginning in 1918, it has paid out benefits totaling, $34,425,100.55. The most recent report shows that 17 of the 32 churches in the Flat River Association are engaged in this program paying all or part of the cost on behalf of their pastor.

FIELD WORK

Fifteen field representatives now serve 22 states in the Convention. The continued increases in new members in the Board's protection program in recent years can definitely be attributed to the work of education and promotion being carried out by these men within the local churches and associations.

Rev. R. T. Greene, field representative for North Carolina, has his offices at the state headquarters in Raleigh,—mailing address, 301 Hillsboro Street. He will be glad to try and arrange a time when he can come to your various church or associational meetings to talk about the Annuity Board's ministry. Rev. Greene is available also for personal conferences with pastors or church leaders. Write him for arrangements.

Norman B. Kelley, Committeeman

STATE MISSIONS REPORT FOR 1961

"For GROWTH In State Missions—Every Church—Every Member Giving!"

"I must work the works of him that sent me, while it is day: the night cometh when no man can work," Jesus constantly warned his followers.

This should be the call to all North Carolina Baptists—as well as the command to all missionaries. We could promote the growth of State Missions immensely by re-dedication of our lives, our time, our talents, magnified by our stewardship, toward promoting our Lord's work within our own reach.

The many ministries of State Missions are supported by the Cooperative

Program and the Special State Missions Offering.

Progress has been made in North Carolina as our part in the Southern Baptist Movement for 30,000 New Churches and Missions by the Jubilee Year 1964! To date 161 new churches and 220 missions have been established. Shifting population and growth indicate a present need for at least 601 more churches and missions.

A balanced approach to evangelism is being taken to our pastors and church leaders. Mass evangelism and personal evangelism is included in associational and state-wide conferences.

Many services are available to the churches through the Department of Church Development: Research, Church Administration, Mission Conferences, the Church Achievement Program, and Church Survey.

Discovering, developing, and promoting principles and methods to enlarge and improve our Sunday Schools, Vacation Bible Schools and week-day Bible study projects demands the time and effort of seven efficient staff members and part-time help of ten approved workers. To keep this work going requires a budget of $84,000. Associational directors and pastor-led enlargement campaigns, Vacation Bible School Clinics, The Church Study Course, for teaching and training is invaluable to teachers and officers in the local church.

One of the greatest challenges facing Baptists is that of matching our evangelistic fervor with an equal zeal for developing those we win. Currently we are developing about one-third of those we win. Here lies the place and purpose of Training Union, as it seeks to reach the 1,300 churches in the state now without Training Unions. The current staff in this department includes six full-time workers and twelve appointed workers. The 1961 budget was $66,670.

A new venture was launched last year by providing Vacation Bible Schools in military areas. In the Fort Bragg area, seven schools were held with average daily attendance of about 400! A large percentage of the pupils and parents were unchurched and attended no Sunday School. Twenty-seven accepted Christ! Two permanent Mission Sunday Schools have been established.

Aid in planning and promoting a program of church music education in the churches through the eighty associational organizations is provided. Conferences, clinics, regional and state-wide Choir Festivals, and music week at North Carolina Baptist Assembly, Southport, and Fruitland Baptist Camp, Hendersonville, are a part of the music education and appreciation program.

The Baptist Student Union has trained Directors serving on fifteen camp-uses. Nine additional Directors are needed. Directors serve as campus Christian workers in a church-related, campus-oriented work. They serve through their personal guidance and counsel. Directors seek to serve the churched and unchurched students and faculty on all types of campuses.

There are more than thirty phases of our State Missions Program. Each phase has a definite part in making our State Missions the dynamic influence it is within our State.

Let us pray that each of us will be more willing to give of our material blessings during the coming year than we have in the past.

Respectfully submitted,
Mrs. Joe L. Bryant, Jr.

c. The Report on the Cooperative Program was adopted.

That the "Great Commission" as recorded in Matthew 28:19-20 is a commission given to twentieth century as well as first century Christians is generally acknowledged. It is so generally accepted as an imperative command directed to the individual Christian. Whether a Christian is to be evangelistic or not is not a matter of choice or personal convenience, but a matter of personal commitment to the Lord Jesus. As Christians we believe that God in Christ is the Answer to the lost condition of the souls of men. We also believe that Christ must be made known to lost souls that they might be saved. This is evangelism, and the work of evangelism is the work to which every Christian and every church in the Flat River Association has been called.

The Flat River Association's report on evangelism in 1961 reveals the following facts:

(1) A clinic on evangelism was held on March 3, 1961.
(2) There were 267 additions to the churches by baptism.
(3) There were 312 additions by transfer of letters.
(4) There were 579 total additions to our churches.

Respectfully submitted,
Clyde Pearson

REPORT ON FOREIGN MISSIONS

"The missionary enterprise must go forward upon the prayers of God's people. If it is supported in such way it will not be expendable effort soon to be forgotten in fluctuating circumstances, but will be considered a priority responsibility as indicated by our Master in his world-encircling commission."

Dr. Baker J. Cauthen

Missionary Personnel: Appointments totaling 137 during 1960 and 31 from January to May, 1961, bring the number of foreign missionaries in active service to 1,500. The appointment goal for all of 1961 is 160. The Board expects to have 2,000 missionaries under appointment by the close of Baptist Jubilee Advance in 1964.

Missionaries Serve: Southern Baptist now have missionaries in 45 countries and separate entities: Argentina, Bahamas, Brazil, Chile, Colombia, Costa Rica, Ecuador, France, Gaza, Guam, Guatemala, Honduras, Hong Kong, Indonesia, Israel, Italy, Japan, Jordan, Kenya, Korea, Northern Rhodesia, Nyasaland, Okinawa, Pakistan, Paraguay, Peru, Philippines, Portugal, Singapore, Southern Rhodesia, Spain, Switzerland (international seminary), Taiwan, Tanganjiga, Thai-

lan, Uruguay, Venezuela, and Vietnam. Southern Baptist foreign missions reached out to three additional countries in 1960.

World Evangelization: Mission work is carried on through a varying number of institutions on each mission field—churches, schools, hospitals, publication plants, good will centers. The goal of each is evangelization.

National pastors number 2,447. The 3,399 churches and 6,522 chapels and mission points reported a Sunday school enrolment of 389,138. There were 31,107 baptisms during 1960, and church membership reached the 452,975 mark. (These figures include estimates for China.)

Education: The seminary in Beirut, Lebanon, opened in temporary quarters on October 25, 1960. Northeast Baptist Bible Institute in Feira de Santana, Baia, Brazil, was inaugurated March 3, 1960. Asia Baptist Graduate Theological Seminary began its first session in September, 1960.

Medical Work: There is unlimited opportunity for soul-winning through personal contacts with patients and their families, devotional services, distribution of literature, and follow-up visitation after patients leave the hospital.

Medical mission institutions include 18 hospitals and 72 clinics and dispensaries with a total of 1,233 beds. There are 55 missionary and 78 national physicians, plus 60 missionary and 249 national nurses. They served 286,907 patients during the year, of whom 29,255 were in-patients.

Cornerstone was laid for a Baptist hospital in Fortaleza, Brazil (a project of Brazilian Baptist with only a token gift from Southern Baptist), in June, 1960.

Publications: Seventeen publishing centers turned out 19,720,423 pieces of literature during 1960. These included periodicals, tracts, and books. Sixty-two missionaries and 419 nationals serve on publication staffs.

Receipts: Total contributions of Southern Baptist for foreign missions amounted to $17,312,163.35 during 1960. Funds from the 1960 Lottie Moon Christmas Offering totaled $8,238,471.07.

The advance section of the Cooperative Program (75 per cent of funds after Convention-wide budget is reached) came to $819,396.62 in 1960.

Let us all prayerfully meet the challenge before us that God's will might be done continually. Through prayers, loyal and generous support, every aspect of our world task will continue to move forward as resources are made available.

Respectfully submitted,
Robert T. Barnes

REPORT TO THE FLAT RIVER ASSOCIATION

BAPTIST CHILDREN'S HOMES

1961

The Baptist Children's Homes of North Carolina is a Christian agency providing love and care for more than 800 deserving boys and girls annually. These are dependent and neglected children who, for some reason, have found it necessary to live away from their homes.

Your cihld care ministry is child centered, Christ centered and church centered. It is based on the redemptive plan of God. These children have lost their parents through a number of ways. Workers use all the skills available, plus the help of God, to establish in these children trust in adults, trust in self and trust in God.

Boys and girls live at Mills Home, Kennedy Home, and Odum Home. One hundred twenty five children live in Christian Foster Homes throughout the state. Some mothers who have lost husband and father receive financial grants in the home which enables them to keep and care for their own children. Well trained case workers are spending an increasing amount of time working with and strengthening families.

It became necessary during the past year to reduce the number of children in Foster Home care by 35 boys and girls. At one time we were caring for 162 children in Foster Homes. We now have 127. This trend can be changed only as we have additional income. Many types of service to children in need are being delayed for lack of money.

Our financial support for this year has come from the following sources:

Thanksgiving Offering	33 Per cent
Cooperative Program	32 Per cent
Once a Month Offerings	18 Per cent
Special Gifts and Endowment	17 Per cent

Members of the Board of Trustees, members of the staff and our boys and girls wish to thank you for your generous support. You have given these children love, food, clothing, shelter, schooling, medical care, recreation guidance, music and hundreds of other benefits.

One third of our support comes at Thanksgiving time. The Thanksgiving offering goal for 1961 is $400,000.00. Help this to become a reality!

You may stay informed about the child care program throughout the year by reading Charity and Children. This newspaper is published each week by the Baptist Children's Homes. It is now in its 75th year and circulation is higher than ever before—well over 52,000. Every family in every church should receive this Christian newspaper.

Respectfully submitted,
Mrs. Franklin Gill

b. The Report of the N. C. Baptist Hospital was adopted.

REPORT ON NORTH CAROLINA BAPTIST HOSPITAL

Our Baptist Hospital continues to try to serve our people in the fullest measures possible. Last year it provided its largest number of days of hospital care and saw the largest number of patients in the Clinics—78,000 visits to the Out-Patient Clinics, from 96 of the 100 counties in the State, and 75,000 Private Clinic visits.

SOME OF THE NEWER SERVICES

The New Progressive Care Unit was opened in March, providing 80 beds for patients who do not require the more expensive and intensive care of the rgular hospital. This is a new and andvanced step in hospitalization and patients are highly pleased with it. The Hospital's one regret is that at the present time it does not have money necessary to open it to Service Patients.

A new type of unit for the sterlization of surgical and other equipment by gas was recently installed. This is more effective than the older methods used in the fight against infection, which is a constant problem in all hospitals. In the X-Ray Department a rapid film developer is now in use which greatly speeds the preparation of x-ray films.

One of the most recent additions is a Pastors' Library given by Mrs. Walter M. Williams of Burlington in memory of her noble Christian husband. All pastors and others are invited to ask about this excellent collection of religious books and to use it when they visit the Hospital.

THE MOST URGENT NEEDS

Among the many needs at our Baptist Hospital, there are some which are acute. One of the most pressing needs is a building to provide classrooms and other facilities for the eight schools operated by the Hospital. These schools are training urgently needed medical personnel and Christian workers in addition to doctors. They are badly limited and handicapped for lack of room.

The need for enlargement of the overcrowded and seriously limited Out-Patient Department, Children's Center, and Psychiatry section of the Hospital is urgent.

The need is far beyond the present facilities in each of these departments.

The constant need for Mother's Day Funds for helping Service Patients bear the cost of their hospitalization grows more and more acute. We cannot emphasize too strongly the importance of this Fund and the need for our churches greatly to enlarge their Mother's Day Offering.

A new opportunity to help meet this need is now open in the Service Patient Endowment Fund. This is a permanent endowment invested by the Hospita's Trustees with all of its proceeds being used for the help of Service Patients. Gifts in any amount can be made at any time. A gift can be made in one's own name, in memory of a friend, as a memorial to a loved one, or the endowment can be placed in one's will. All gifts will be gratefully received, appropriately acknowledged, and a permanent record kept of each one. We hope you will think and pray about this and that many will take advantage of this opportunity.

Respectfully submitted,
Mrs. Casper Critcher

c. The Report on the Homes for the Aging was adopted.

HOMES FOR AGING

North Carolina Baptist can be justly grateful for their Christian ministry to the 125 residents in their three homes—Resthaven and Hayes Homes in Winston-Salem, and the Albemarle Home in Albemarle.

With 130 people waiting for admission at the present time, lack of rooms is one of our acute problems, with the completion of our 4th Home, the Hamilton Home, which it is hoped to be ready for occupancy, no later than January, 1962, North Carolina Baptist will provide for 30 additional residents. A debt of $275,000.00 has been assumed on the Hamilton Home and indebtedness on the new infirmary at Winston-Salem. Special day offerings and gifts from the churches are running ahead of last year's contribution and must continue to be increased greatly in order that we might meet the ever increasing demands of the aging among us as quickly as possible. We are profoundly grateful to each church and to each individual for the liberal support to the wonderful cause which we represent.

We are now in the eleventh year of operation and the past year has been a great and good one. 26 new residents have been received, and are now finding happiness, peace, love, and security in their new home.

The average age of our residents is around 80 and we rejoice in the fact that the life-span is increasing for them. Aunt Fannie Drumwright reached her 100th birthday on July 6. She is the first resident in our Baptist Home to attain this remarkable milestone. She is the living example of the years that are actually being added to a person's life, by the loving kindness of N. C. Baptist, through the tender care of our Homes.

One of the most wonderful gifts ever made to the Homes is the handsom duplex apartment, made possible through the generosity of Miss Roxie Sides of Winston-Salem now under construction on the Reynolds Park Road site in Winston-Salem, will be occupied in this fall, we hope, and will provide for 4 additional residents.

The appointment of C. Q. Weaver of Greensboro, as business administrator of the Homes, has proven to be one of the greatest blessings of the past year. This dedicated layman is serving with unusual ability and insight, making a great contribution to the work.

Along with our many blessings have been moments of bereavement, which have been saddened our hearts but we have soon been lifted up in the knowledge that God has called His own, unto Himself. During the past year, 14 have been called to their Heavenly Home.

The happiest times in the Homes are when friends and members of the N. C. Baptist Churches visit them. A cordial welcome is extended to every one to come and visit in the Homes, and see first hand the things of Christian significance experienced daily, that cannot adquately be described on the printed page. Pray for us, visit us and continue the same splendid support in the future that has been so graciously given in the past. We cannot go on without the love, the fellowship and the help of every N. C. Baptist.

Respectfully submitted,
Mrs. T. T. Hughes

d. The Report on Christian Literature was adopted.

REPORT ON CHRISTIAN LITERATURE

As I make this report, I trust that each of you are already feeding your souls on Christian Literature, daily. We need to hide His Sacred Word in our hearts, and always be aware of the responsibility given us by Jesus in His Commission, Matthew 28:19-20; "Go Teach All Nations".

As we undertake to reach others in His name with His message we recall that we have been instructed by the inspired writer in 2 Timothy 2:15 "Study to show thyself approved unto God". That same inspired writer, Paul, commended the Bereans in Acts 17:10-11 for searching the scripture daily for themselves. Study is necessary for all Christians who want to know the world in which we live; and it gives us a world view with a Christian interpretation. We must seek first the Kingdom of God and his righteousness realizing the promise "Blessed are they which do hunger and thirst after righteousness for they shall be filled". Matthew 5:6. It is important not only to hide the precious Word of God within our hearts but also study the literature that is Christ centered and this enables us to keep up with events and services in our fields and denominations, helping us to be more effective Christians.

Those people who are concerned about the condition of our denomination, country, and world are informed people. You can take an important step toward becoming better informed by studying Special Publications. The Baptist Sunday School Board publishes periodicals that provide for those who need this extra help. Our glance at a few of these special periodicals would be as follows: For pastors and other church personnel there is the *Quarterly Review* which provides a survey of Baptist Progress. For the music director, song leaders, pastor, and choir members, *The Church Musician* is full of helpful materials. *Home Life* helps to cultivate a strong Christian foundation in the home for any

reader. *Open Window* provides a personal devotion for every day of the year. *The Baptist Student* brings to college students articles of interest and inspiration. *The Braille Baptist* is an invaluable aid and inspiration to blind people. *These* with *The Sunday School Builder Union Magazine, Brotherhood Journal, Church Administration, The Quarterly Review, The Beam, Recreation, Home Mission Magazine, The Commission* are special publications you can get to help those of our church share a fuller Christian experience and develop a stronger loyalty to God's program.

Many other periodicals not mentioned, along with tracts on Christian subjects, free through the Baptist Sunday School Board; and our many mission study books give us a wider understanding of people and countries, deeper sympathies for men and women who are significant to Christian missions. As we read our ways into fascinating places and look intimately at the world outside of our doors we receive bargains in travel and bargains to direct our missionary prayers and endeavors in information of lasting values.

These periodicals help to develop an appetite for best reading material in our leisure-time. Religious training through leisure-time reading is vital to the mission of our church. It helps build Christian character, to solve personal problems by teaching self understanding, and to develop true culture, social responsibility and a sense of missions in the world. Continual reading helps each of us to never stop growing.

Our Baptist Paper—*The Biblical Recorder* published fifty times a year is a necessity to each of us; for next to our Bibles studies it is vital as a connecting link between the church and World Missions; and each of us as missionaries should want to continue growing daily in our King's work—we need to be informed Church members on Missions and this paper gives the information.

The cost of this Our Baptist Paper is: Individual subscriptions $3.00; Clubs $2.50; Every Family Plan $2.00; single copies 7 cents each.

An alarming number of people are reading unsound literature. This is poisonous rather than helpful to the growth of the souls of men and women. If we are to be missionaries, we must be strong in mind and body—not ever feeding on filthy literature. We need to be doing all we can to provide Spiritual food for the building of character and teaching of Christian principles. Not only this, but living a life realizing each of us are writing some manner of a book daily—a Christian literature or unsound reading:

You are the only Bible
The careless world will read;
You are the sinner's Gospel,
You are the scoffer's creed;
You are the Lord's last message
Written in deed and word

What if the line is crooked?
What if the type is blurred?

Many, many people do not take time to read God's holy word and Christ centered periodicals, that your attention has been called to in today's report; but these people are reading your lives; and it is important that each of us, in every way possible, provide good reading-nourishment for the mind that will

help to build character, teach Christian principles, and inspire all people to greater Christian living.

Respectfully submitted,
Flora O. Mann,
Christian Literature Chairman

REPORT ON CHRISTIAN CITIZENSHIP

Several years ago, Mr. Charles A. Wells wrote these words: "The relationship of American liberty to the Word of God is a matter of historical record. The men and women who settled this country and established its laws were intimately familiar with the Bible. The great phrases of the Scriptures are inter-

woven through all our historical documents. But one of the most distressing trend of our day is that people no longer study the Bible; many young people grow into citizenship barely aware of its existence and with scarcely any familiarity with its divine content. In this way we are slowly but surely losing the foundations upon which our unique system of laws and customs rests. Because of this, some day leaders will arise who will be able to deceive the people, for we will have lost the sound of truth in our ears and the taste of truth upon our lips".

Already false teachers are undermining our liberties and determining our destiny. As Christian Citizens we must be aware and on guard against the many false teachings of our day.

The False Teachings of the colorful and attractive ads of the Liquor Industry. Headline in September 5th newspapers: Mobs of rowdy youths hopped up on whiskey and beer, rage in five states.

The False Teachers who would justify openess and freedom in sex. Alarming increase in illegitimate births, veneral disease and rape by teenage youths.

The False Teachers who deny the dignity and sacredness of the individual and his right to be captain of his own soul.

The False Teachers of Materialism and armament builders.

The False Teachers of Sabbath desecration in the name of freedom.

The False Teachers of doubleminded attitudes toward traffic laws, tax valuations, political degeneracy and rascality in high places.

The False Teachers of comfortable and easy religion, the "let George do it" philosophy; indifference to our responsibility in politics and use of the ballot; laziness in the conduct of community affairs and rearing of our children.

The discovery of America was under the providential guidance of God, His Hand is seen in the development of our country and the deliverances that have been our country's portion and lot.

Let us ever conduct ourself as Christian Citizens that in the future we may deserve God's providences in our continuing destiny.

Quoting Mr. Wells again: "Unless we return to God's Word, we will have forgotten the foundation of our liberties".

Mrs. Lonnie Nelms

b. The Report of the Obituary Committee was read by Mrs. Curtis Knowles and the report was adopted.

"Father, I will that they also, whom thou hast given me, be with me where I am; that they may behold my glory, which thou hast given me." John 17:24A.

In this portion of the prayer of our Lord he clearly states that it is His will for those who are His to be with Him. In humble submission to His will and as a token of our profound gratitude for the blessing of their presence among us, will you stand as I read the names of those who according to His will are now with Him.

d. A Report on Southeastern Theological Seminary, prepared by the Rev. Ben C. Fisher was presented by the Rev. Clyde Pearson and the report was adopted.

REPORT ON SOUTHEASTERN BAPTIST SEMINARY

Southeastern Baptist Theological Seminary at Wake Forest is serving North Carolina in a special way.

By serving the largest religious body in the state—More than 800,000 members in more than 3,000 Baptist churches.

Today after only ten years of operation Southeastern Seminary is furnishing one out of every six Baptist pastors in North Carolina. A large number of these pastors are serving in industrial communities and rural communities. Others are serving town and city churches.

Southeastern Seminary was the first theological school to be established outright by the Southern Baptist Convention. It was born out of an urgent need for a theological school in this area.

As the tenth anniversary year draws to a close, there are many things for which we can all be grateful. Our first expression of gratitude wells up for a warmhearted and generous denomination which sincerely desires an educated ministry for its churches. The Southern Baptist Convention is putting more than three million dollars annually into seminary education. As far as we know, no other Protestant denomination at the present time is matching this effort.

The finest achievement of this past decade has been the growth of our faculty and administrative staff. These devoted Christian men and women come from varied backgrounds. They hold degrees from leading colleges, seminaries, and universities. They are teachers by choice and many of them have time and time again turned away more lucrative positions in pastorates and denominational leadership to continue their mission of teaching.

Sympathetic, level-headed, loyal and hard-working trustees have contributed far more to the growth and stability of this institution than can adequately be reported in words. Many of them have served continuously from the beginning by special convention permission.

The Southeastern student body literally leaped from a few dozen to nearly 800 students in a decade. Although the student body was at first largely local, the classrooms are now filled with young men and women from almost every state in the union, more than 100 colleges and universities, and many foreign countries. The burgeoning student body has not been without its problems. The closely knit fellowship of the beginning years when only a few individuals were involved became more and more difficult to maintain as the student body and faculty grew in numbers and organizations. Moreover, jobs also were harder to find and churches more difficult to secure as the young seminary grew. Adjustments had to be made and re-orientation attempted.

As a new decade of service begins, the real joy of this Seminary lies in the number and quality of the graduates. These young men and women are providing solid leadership for our local churches and our denominational program. A state secretary recently paid the finest tribute to these young people when he said, "Southeastern Seminary graduates have literally changed the outlook in our state. They have led quarter-time churches and half-time churches into full-time programs. They have brought increased denominational loyalty and support for our mission program."

This is not to suggest that the task has always been easy. There have been times of tension and almost unbearable burdens. There have been difficult responsibilities in the development of administration, of curriculum, of student government, and of denominational relations, but at the same time solutions to these problems have been undertaken with manliness and maturity.

Southeastern Seminary is training leadership in the following areas: Pastors, Ministers of Religious Education, Missionaries, Teachers in Colleges and Seminaries, Student Directors, Elementary, Youth and Adult Directors, Chaplains who desire to assume places of leadership in the Military Services, Hospitals,

Industries, Child Care Institutions, or other Agencies, and leaders in Denominational Agencies, Institutions and Departments.

The faculty and the students stand on the frontier of Christian thought and take their places with all serious-minded men and women who seek first the kingdom of God and His righteousness. Benedictus qui venit in nomine Domine.

That the man of God may be perfect, thoroughly furnished unto all good works—II Tim. 3:17

59. ADDRESS: Rev. Ben C. Fisher, Administrative Assistant to the President of the Southeastern Seminary in Public Relations, spoke to the Association relative to the work of the Seminary.
60. Hymn: "I Love to Tell the Story."
61. The Report on Home Missions was adopted.

HOME MISSIONS

As American citizens we are facing the greatest challenge in all history. Self-discipline and personal dedication to Christ are needed now more than ever before. They are the greatest deterrents to communism and all other threats confronting the cause of Christ. America, as a world leader with international prestige, is watched in every action and attitude. We, called by the name Christians, are being weighed in the balance. We cannot give to the world what we do not possess ourselves. Never in history have men been so close together and yet so far apart. Individuals live and work and play in close proximity; we inhabit the apartment house, labor in the sky scraper and play in the vast coliseum. Powerful disruptive forces destroy communities, economic disruption by strikes, domestic disruption by divorces, social disruption by racial hatreds and international disruption by cold war hostilities. We as Southern Baptist are being put to the test. What shall we do?

We are witnessing a population expansion. 2.8 billion people inhabit God's world; 180 million are people of every nation and creed who live within our borders, therefore expansion in business, schools and churches is the order of our day, crowds and crowds of people everywhere.

Jesus lived in a crowded Palestine. He looked upon the crowds and had compassion on them, they were like sheep having no shepherd. Life can lose its sense of direction in mobs and crowds. We bear witness of this. The christian churches challenged. The gospel of our risen Christ is the answer to the needs of the 180 million souls within our borders. Jesus loved all people. Do we love one another enough to share what God has given us, that the many who are confused and sit in darkness, may see the great light and come to know Jesus Christ as Saviour?

"For God so loved the world, that he gave His only begotten Son, that whosoever believeth in him should not perish, but have everlasting life. For God sent not His son into the world to condemn the world, but that the world through Him might be saved. He that believeth on Him is not condemned; but he that believeth not is condemned already, because he hath not believed in the name of the only begotten Son of God"—John 3:16-18. Who will tell the multitudes?

True, Courts Redford, our executive secretary, reports 2,035 missionaries, the

largest number ever reported one year under our Home Mission Board. We are grateful for these, let us pray for them as they labor that God will richly bless and use them to glorify Him.

True, we have a budget in excess of 4 million dollars (60% from Cooperative Program and 40% from Annie Armstrong Love offering). I ask you how far will this go? The field is much larger than ever before and its white unto harvest. There is a pleading for more qualified personnel.

True there are 664 Baptist ministers serving as Chaplains and 768 are commissioned in reserve forces. The need for christian witnessing among our men and boys in service is rapidly increasing with the days; great peril endangers us. Can we face it and measure up to God's expectations?

True about 11,000 new missions and churches under Dr. C. C. Warrens leadership have been organized, many of these are reaching the unreached; souls are being saved by the foolishness of preaching the gospel. God has put His hands on many laymen to serve in His ministry. Students have heard His call to service. This is encouraging especially since the enrollment of students in our Seminaries are smaller. If we are to meet the challenge before us for the 30,000 movement, we must unite in prayer, that God will lay hold on many who will consecrate and dedicate their lives to witnessing for Him. Are our homes providing the atmosphere needed, what can we do? Surely much depends on you and on me. The combined efforts of our beard will concentrate on church extension in 1962.

True we are pioneering to the west and to the north. The call for places of worship to meet peoples needs in these parts challenge us. The "Big Cities" seem to be wide open doors of opportunity. Detroit has been added to Chicago, New York and San Francisco as places of due need for missions and churches. Our Home Board realizes the great need for places of worship. If our work is to be effective our gifts to missions must be greatly increased. We are using three times as much for our local church programs as we are giving to the unsaved multitudes who have not been privileged to hear the message of Salvation. What is wrong with us? Are we really concerned for the lost people here in Flat River, our homeland and abroad?

Are we informed as to the spiritual needs in our homeland? "Study to show thyself approved unto God, a workman that need not be ashamed".

It is a late date, but God's promises never fail. The formula for solving our nation's problems is still recorded in the Book of Books: "If my people which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven and will forgive their sin, and will heal their land". (2nd. Chronicles 7:14).

Respectfully submitted,
Mrs. Sterling Carrington

NORTH CAROLINA BAPTIST COLLEGES

North Carolina Colleges closed another record-breaking academic year (1961-1962). They wish to express gratitude to God and to North Carolina Baptists for divine providence and Christian concern in their behalf. The colleges are happy to report their stewardship to the associations. All seven opened in the fall of 1961 with their largest enrolments totaling 8,447.

Of this number, approximately two-thirds were members of the Baptist church. Baptist Colleges can take only one in five of the Baptist students who attend college, therefore it is important that the bes possible leadership potential be recruited. They constitute our denominational leadership of tomorrow.

The past year saw many excellent physical improvements and additions to the campuses. Total plant assets of these colleges are in excess of $45,000,000. State conventions and the Southern Baptist Convention increased gifts to the schools by $796,310. To keep these campuses up to date and competitive, several thousands of dollars must be spent each year. The total budget of the seven colleges during the year was about $12,000,000. Of this amount, the Cooperative Program paid about 5%

The past year has seen a strengthening of faculties. In every case the colleges have sought to raise faculty salaries to attract the finest and best qualified teachers. College administrators are reporting increasing need for qualified teachers in the areas other than Bible and religious education.

The convention is in its first year of the Christian Education Advance Program. Under this program, each church is asked to increase its gifts through the Cooperative Program 35% for 1962, '63, and '64.

The future of Christian education in America is at stake today. More and more students are attending state institutions. These state colleges by their very nature cannot perform the task of Christian education. A Christ-oriented education must always be provided by the church. On each Baptist campus is a qualified director of religious activities whose responsibility is to counsel with students and faculty and to promote spiritual growth. One Hundred seventeen scholarships were awarded at 35 Southern Baptist Colleges from the Opdyke fund during this year. Other scholarship aids must be found for deserving students. Baptists would be the last group to ask the state to teach religion for them. In a great republic like ours, education needs the support of many groups including the church.

Let us not oppose other forces operating in the field of higher education, but rather undergird and strengthen our own institutions that may do their work and do it well.

Please support your colleges by:

1. Acquainting yourself with your colleges. Visit them, read about them, invite the students and faculty into your church to conduct services.
2. Encouraging your finest students to attend.
3. Praying for the schools—the presidents, administration, faculty, trustees, and students.
4. Increasing your Cooperative giving 35% this year.
5. Observing Christian Education Day on Father's Day in June.

10. ADDRESS: A. C. Moore, Student at Wake Forest College spoke to the Association the "Influence of the Christian College", and Dr. Dan O. Via of the Department of Religion of Wake Forest concluded the address by speaking on "The Purpose of Christian Education."
11. The Rev. H. W. Baucom, Jr. took the chair for the adoption of the Report of the Executive Committee, which was presented by the Moderator, Leon B. Perkinson. The report was adopted.

REPORT OF EXECUTIVE COMMITTEE

The quarterly meetings of the Executive Committee were held as scheduled with at least a quorum of members present at each meeting to transact business. In addition, there was one called meeting to act on the resignation of our Promotional Director, Bro. Arch Cree. The Association owes a great deal to Brother Cree, who led in creating interest and carrying out Associational work to the extent that practically all of our churches are now participating wholeheartedly in the work of the Association.

This seems to be a year of changes as no less than ten pastors resigned to accept work in other fields. Seven new pastors entered the field to become a part of our work. The resignation of Rev. Curtis Knowles left the position of Vice-Moderator vacant and the Executive Committee elected Rev. A. S. Lamm to fill that vacancy. Since then he has resigned and at this time the Association is without the services of that office. Brother Arch Cree resigned effective April 30, 1962 to accept work in the Columbus Association. The Executive Committee appointed a committee to secure a replacement for him. Rev. W. J. Edwards was extended a call and upon his acceptance began his duties July 1. Since then he has been busy organizing and planning.

Our Spring Meeting, although not as well attended as anticipated, was inspirational and uplifting. It was felt that the main reason for the lack of attendance was due to its being held on Monday.

The Nominating Committee was given authority to fill the vacancy of Associational Training Union Director created by the resignation of Rev. Norman Bennett and Mrs. Hesley Clark was elected to assume that position. Rev. A. S. Lamm was elected by the Committee on Committees to the position of member of the Evangelism Committee, this vacancy also created by the resignation of Rev. Bennett. The Committee on Committees was also given authority to fill the vacancies on the Resolutions Committee created by the resignation of Rev. Glenn Holt and Mrs. Curtis Knowles. Rev. Oren J. Elms and Mr. G. T. Eakes were elected. Rev. Tom M. Jones was appointed to fill the vacancy on the Time, Place and Preacher Committee created by the resignation of Rev. Larry Roberts. The Moderator was given authority to appoint a Program Committee to plan the program of the annual meeting of the Association, a Calendar Committee to plan the work of the Association and a Legislative Committee to consider certain changes in our Constitution.

The Executive Committee recommends to you the adoption of the following matters which will be presented to you in the course of this annual meeting:

1.—That the Constitution be amended as presented by the special committee appointed to consider certain changes.

2.—The adoption of the Budget as proposed by the Budget and Finance Committee.

3.—The adoption of the Calendar of Activities for 1963.

The Executive Committee approved the request of Delrayno Baptist Church

to the Baptist State Convention for pastoral aid in the amount of $634.00 and the request of Flat River Baptist Association for aid in the amount of $1,320.00.

Respectfully submitted,
Leon B. Perkinson, Moderator

12. The Report of the Promotional Director was adopted.

PROMOTIONAL DIRECTOR

These last three months have been a time of "a new beginning" to us. We were made very happy at the fact that you desired us to return to this association as your Promotional Director, and we have been overjoyed with the warmth of the reception we have received in the churches we have been able to visit. We pledge to you that we will make every effort not to betray the confidence you have placed in us.

These three months have been spent getting acquainted with the program, helping to set up the program for next year, and to get into the churches. We have been privileged to make 34 visits to 22 of the churches at the close of September. Other than special services renderd, I have preached 15 times. In fact, our speaking schedule for Sundays is filled through December 9. We are grateful that we can be used.

I am grateful to all those who have helped me to get settled down; especially, the Moderator, the Department heads, officers, and pastors. Together, I am sure that we can do the job for our association that needs to be done.

We have worked with all the organizations to promote their program and to set programs for 1963. In this respect, I am grateful to the Executive Committee of each of the departments for their patience with me. The events left in this year and the ones challenging us next year, call for the very best we have:

Deacons' School—October 29-30—Peace's Chapel and Bullock
"M" Night—Dec. 10, 1962—Oxford—Dr. Douglas Branch
January Bible Study
A Music Workshop in February
A S. S. Teacher's Bible Teaching Clinic in February
Youth Week and T. U. Tournaments in March
World Mission Week in April
Climax of the Brotherhood's R evivals I n S tewardship E nlistment (R-I-S-E) in October, 1963

Let us meet the challenge of "those who are unreached" by "Being witnesses of God's Grace".

Respectfully submitted,
W. J. Edwards

26. REPORTS:
a. The Report of the Annuity Board was adopted.

RELIEF AND ANNUITY

A total of $2,879,816 was paid in benefits by the Annuity Board during 1961. Most of this figure went to approximately 4,500 ministers, denominational workers, or their families who participated in their retirement plans. Other aid was given to 826 Aged ministers and widows. During 43 years of operation, the board has paid out more than $37,304,916.

Total membership in all the plans number, as of January 1, 1962, 23,214, an addition of 1,808 new members and 789 churches participating in 1961. 67% of the churches in the Southern Baptist Convention are participating, and 43% of these are paying all of the dues for both church and pastor. Due to the increased enrolment, the penalty effecting widows and disability for those who are late entering the plan has been waived until January 1, 1963.

The Annuity Board now has 14 field men working in 21 state conventions. Their program of education and promotion is conducted through state and as-

sociational meetings, on college and seminary campuses, in local churches and through conferences with laymen and pastors. Rev. Guy Cain, Baptist Building, Raleigh, is our state representative and is available to any group desiring his service.

Respectfully submitted,

b. The Report on State Missions was adopted.

STATE MISSIONS

"And he said unto them, 'When ye pray, say, Our Father which art in Heaven, Hallowed be thy name, Thy Kingdom come," Luke 11:2

Our State Mission, with no less than 17 ministries, is working toward this cause. It has been called the life line of Baptist growth in North Carolina. State Mission work has many objectives and covers many areas. It is supported by the Cooperative Program and the Special State Missions Offering.

For example, last year the School of Missions reached 200,000 people. During World Missions Year in 1963, ten weeks of schools will be conducted, with 400 churches using 300 missionaries from around the world.

The 30,000 movement has resulted in the establishment of 556 new missions and churches in the state. Of the goal of 120 for 1962, more than half was reached in 5½ months. Still unreached communities in North Carolina number between 450-500.

The Cherokee Indian Work reached many of the 4200 people on the Cherokee Reservation. There are two workers and 17 churches—but sixteen of these greatly need developing. Also, there are many other basic needs according to the leaders in that area.

The ministry of the Deaf seeks to help the 5,000 people in North Carolina who cannot hear. State Mission funds and workers provide TV Church services for them with singing and speaking done in sign language, and sign language classes to train people to work with them.

The Seminary Extension Centers in the western part of the state have reached 480 pastors, Sunday School teachers, and other church and associational leaders. Fruitland Bible Institute has training that is available for preachers who have not completed their seminary work.

The Interracial Cooperation Ministry has many practical undertakings designed to strengthen churches, such as: extension schools, conferences, evangelistic clinics, and interracial activities that are a part of State Mission work among Negroes in North Carolina.

Church Development promotes community-associational and regional areas to help churches to develop stronger programs and be willing to train and send out workers to help establish new missions and then work in them.

With thousands of Japanese women and children, families of American service men on the military bases in North Carolina, the world mission opportunity is limitless. Vacation Bible Schools, Sunday Schools, Pastors and Japanese Seminary students are helping to tell them of Christ.

The Associational Missions Ministry is one of the most important of all. In

69 associations, 66 missionaries are serving. Three more associations are planning to call missionaries soon. This means that only nine associations will be without missionaries. 57 associations receive financial assistance from the State Convention. An Annual Workshop and Conference is also provided for the Missionaries and the convention staff.

This year, 161 missions and churches will be aided through pastoral assistance, new churche lot gifts, and church loans. A total of $88,000 is budgeted for pastoral aid, $40,000 for aid on church lots, and $25,000 for church loans. Two churches in the Flat River Association, Delrayno and Tungsten, have received pastoral aid through State Missions.

State Missions is the oldest offering among North Carolina Baptists. For more than 100 years, it has been a part of North Carolina Baptist life. A modest goal of $200,000 has been set and this should be reached.

"State Missions' concern is with people in all walks of life in North Carolina. Prayer, constructive thinking, and purposeful action are required if State Missions is to make a major impact upon persons."

Respectfully submitted,
Mrs. A. R. Hicks, Jr.

c. The Report on the Cooperative Program was adopted.

COOPERATIVE PROGRAM

Southern Baptists have discovered the "secret" of God concerning organization or partner-relations in their local churches and for world missions through the Cooperative Program. Through the Cooperative Program, an individual can share his genuine desire to serve the needs of men, to give a cup of water in the name of Christ, to teach the Bible to untold millions through our schools, and in the name of Christ, to heal the sick bodies of men in order to call them to Christ.

In the Flat River Association 30 of our churches have reported a total mission expenditure of $72,788—this is an increase of $2,909 over the figures reported in last year's letters. Of this figure this year, $6,580 was given through Associational Missions, $36,756 was undesignated through the Cooperative Program, $29,552 was designated. As we compare what we gave this year to the needs of the world, are we really being missionary?

Will you pray that your church will increase her Cooperative Program giving to the amount that God desires? It is refreshing to be a partner with Christ by giving through the Cooperative World Mission Program.

WORK YOUR FAITH BY BEING A PARTNER WITH CHRIST
AS YOU GIVE EACH WEEK THROUGH YOUR COOPERATIVE PROGRAM

Respectfully submitted,
Mrs. F. E. White, Jr.

27. ADDRESS: The Rev. Jerry Potter, Missionary to the Deaf, addressed the Association on "The World Missions Program of N. C. Baptists."
28. Hymn: "We've a Story To Tell to the Nations"
29. REPORTS ON ASSOCIATIONAL WORK:
    a. The Report on the Sunday School was adopted.

SUNDAY SCHOOL

Sunday School continues to be promoted in the 32 churches of the association. Island Creek's Kerr Harbor Lakeside Chapel Sunday School continued through the summer months. With the Sunday School at the Bryant Boarding Home, operated by the Extension Department of the Oxford Baptist Church, our missions schools total two.

Our Sunday School workers and churches were helped by the Group Training Schools held in February with an enrolment of 240. These schools were held simultaneously at Creedmoor and Stovall with indentical courses offered to all Sunday School workers to help them to do more effective work in their Sunday Schools.

Vacation Bible Schools were held in 31 of our churches. We regret that one church failed to have a Bible School. We hope that all churches will start now with plans for good Bible Schools next year. 30 churches reported an enrolment of 2,632, 31 professions of faith, and 132 rededications.

I have been very disappointed with the attendance at our quarterly meetings. Many churches have not cooperated at all in promoting Sunday School work on the Associational level. Our quarterly meetings should be attended by every Sunday School worker in every church if at all possible. It is hard to plan these meetings to benefit the workers of all churches when only a handful from a few churches attend.

The following recommendations are presented for consideration and adoption by the association.

1. That the S.B.C. Sunday School Board's theme for the year be adopted for the Flat River Association. The theme is "Outreach for the Unreached—Spearhead for Missions".
2. That the usual quarterly meetings be promoted on a central or group basis by all the churches in the association.
3. That each church promote training for their Sunday School workers.
4. That each church make special effort to reach the many enrolled in Sunday School who never or seldom attend.
5. That each church investigate the need for more mission schools in locations where our present Sunday Schools are not reaching the "Unreached."

Respectfully submitted,
L. W. Smith, Superintendent
Associational Sunday School

b. The Report on the Training Union was adopted.

TRAINING UNION

The Lord richly blessed us in our Training Union work this year. Some of the highlights of the year were "M" Night in December at the First Baptist

Church in Creedmoor with 396 in attendance. Dr. Elmer West of the Foreign Mission Board, Richmond, Va., was most inspiring in his message to us.

We had good participation in all of our tournaments in March. Six of our Juniors later became state winners.

One of the outstanding and enlightening events of the year was our Youth Day at Southeastern Seminary, Wake Forest, N. C. There were over a hundred in attendance. Having some of our best and most dedicated leaders speak to us was most rewarding.

We have plenty of room for growth in our Training Union work with 13 of our churches without Training Unions.

Our theme for the coming year is "Be Ye Witnesses". We know that only through study and training can we become more effective witnesses.

Our mission together is to witness in associational activities, in striving toward service goals, and in our 1963 emphasis—World Missions.

Our objectives for the year 1963 are:

1. Organizing two new Training Unions
2. An increase of 250 in enrollment
3. Twenty-five churches observing and reporting Youth Week
4. Youth Night attendance goal of 150
5. "M" Night—Oxford Baptist Church, December 10, 1962—Goal—425 attendance—Dr. Douglas Branch, Speaker
6. Cooperating with the other agencies of the Southern Baptist Convention in promoting World Missions Week, April 21-26, 1963.

Respectfully submitted,
Mrs. Hesley Clark, Associational
Training Union Director

c. The Report of the Woman's Missionary Union was adopted.

WOMAN'S MISSIONARY UNION

This report was compiled from Annual reports received this year from the 31 societies in our association. There are increases in every phase of W. M. U. work except Stewardship. We had two honor W.M.S. and our goal is at least one honor W.M.U. in Flat River W.M.U. The youth directors and leaders of Y.W.A., G.A., and Sunbeam Band organizations are to be congratulated upon the good work that has been accomplished. Generally speaking, it is to be noted that the Youth organizations show more increases than their parent W.M.S. They are far in the lead in the percentage of magazine subscriptions. It was the number of *Royal Service* subscriptions that failed to meet the Jubilee goals. The number of W.M.S. members who are tithers has decreased for the past four years.

There was an increase in the number of organizations observing the Weeks of Prayer. There has been an increase in number of Mission Study books taught.

Leadership training was given major emphasis in W.M.U. work. Leadership training is one of the ways to assure a high quality of work to stimulate growth in missions with young children.

Woman's Missionary Union will be observing 75th Anniversary. Let's dream

big, work big, and live big! If we do, we will grow as we enlist women for a world mission task that the Lord has set before us.

How many women are being missionaries in their communities, and around the world? What are we actually doing, and what results are we having in transforming lives and neighborhoods? This is the record the Lord keeps. In the year 1962-1963, let us apply the teachings of the Lord in our personal lives as an example. "Pray ye . . . ", Matthew 6:9; "Give Ye . . . ", Matthew 14:16.

Respectfully submitted,
Mrs. Brodie O'Brian, President
Associational W. M. U.

d. The Report of the Brotherhood was adopted.

BROTHERHOOD

This has been a wonderful year in the association with the twelve brotherhoods at work in all four areas of the work. This has been an eventful year for the Royal Ambassadors. They have attended meetings and outings, and also played baseball on a competitive basis. This is an important program to be continued by all of the Brotherhoods.

All four areas of Brotherhood work were emphasized during the year at associational meetings. We are making real progress toward our goal to enlist and train the men and boys of the churches. We promoted two Deacon's Schools last November with blessed results. These were held at Mountain Creek and Pleasant Grove with the Rev. O. J. Hagler and Dr. Earle Bradley leading the study.

The Brotherhood Executive Committee has suggested that all the churches enter into the 1962-1963 Program of "R-I-S-E": a simultaneous effort of Revivals In Stewardship Enlisment. Next October, this effort will close with a special week in the church during which the men enlist the church in the stewardship program of the local church. Its success will mean a lot to spiritual life in the churches. Everyone will be called upon to assist in this program.

Promotion work has been done in two churches that expect to organize a Brotherhood in the not too distant future. We hope that this will come to pass to the end that every church in the association will have an active Brotherhood. When this is done, a better religious life will be enjoyed by all of our churches.

Remember!, Enlist the Men of Your Church For Christ's Sake.

Respectfully submitted,
J. E. Rawls, President
Associational Brotherhood

e. The Report of our Music Ministry was adopted.
(no printed report)

f. The report on Evangelism was adopted.

COMMITTEE ON EVANGELISM

Evangelism is an all inclusive term that incorporates every area of our Christian work. Evangelism is the teaching and preaching of the Gospel so that men might respond to God's saving grace.

In the past year there were a total of 251 baptisms, and with additions by letter offset by letters granted and deaths, bringing a total membership increase of 139.

Our evangelistic program for 1961-1962 included the State Evangelistic Conference held at the First Church, Greensboro, on February 12-14, 1962, and the Associational Evangelistic Clinic held at the West Oxford Church on March 8, 1962. Our churches continue to reach out to the unsaved and the unenlisted through worship services, teaching programs, and revival efforts.

The past is behind us and the future is before us. What can we do in a practical way to meet the evangelistic opportunities confronting us? Important dates for our coming emphasis include the associational clinic (date to be set); Soul-Winning Commitment Day, January 6, 1963; Transfer Church Membership Month, February, 1963; State-wide Evangelistic Conference, Greensboro, February 11-13, 1963; and the Convention-wide Evangelistic Conference, Dallas, Texas, July 2-4, 1963.

All things point up to the need for full committal to Christ in His redemptive purpose NOW . . . Nothing less than this will be enough. In fact—nothing less than this has ever been enough.

Respectfully submitted,
Leslie Giles, Chairman

g. The Report of the Missions Committee was adopted.

MISSIONS COMMITTEE

We have not been at work as a committee this year. The churches have taken the lead by themselves and have done well.

One of the faithful 30,000 movement is the Kerr Lake Mission Point, sponsored by the Island Creek Baptist Church. The average attendance for this year was 48.

The Oxford Church has a mission station at the Bryant Nursing Home. It is operated as a part of their Sunday School Extension Department. A retired minister, H. M. Cannon, teaches the Sunday School lesson each week. The church is eligible for and will receive another certificate for this "one of the 30,000" mission stations.

The Hester church has preaching services twice a month at the prison camp. Leslie Giles is the preacher. Their tentative plans are for a Sunday School group to be formed for weekly meetings. When this plan goes into effect, they will be eligible for a 30,000 movement certificate.

We are grateful for these who have taken the initiative. There are other places where preaching and teaching will be received if we accept the challenge.

We are missionary and we do much of our part, And yet, we as an association are partially supported by State Mission funds. The Baptist State Convention helps support our Association. It seems necessary for our missions committee to

request $1,320.00 from Cooperative Program money this year. Last year, we received over $1,000.00. We could be more missionary by having better local support and freeing this money for areas more in need. Make sure your church is doing her part. The request has been $1.00 per resident member toward the budget of our association. Be missionary.

Respectfully submitted,
Ray Frye, Chairman

30. The Calendar of Activities for the year 1963 was approved.
The Calendar will be distributed to the churches in printed form from the Promotional Director's office.
31. Hymn: "Am I a Soldier of the Cross"
32. The report on Christian Citizenship was adopted.

CHRISTIAN CITIZENSHIP

As Christian citizens we have come to the time when, if the free nations are to survive, we must have a new and strong world-wide organization. It should include only those who are willing to stand up and fight for their freedom.

Today, the menace of communism has become world wide. None of us would like to live under communism. Why make our lives miserable, can they defeat God himself? They can defeat us only if it is God's will, and it will be God's will only if our sin has become too great in His sight.

Comfort and joy will come to our world when we stop setting our sights so exclusively on the dark picture of human strife.

These words from Bill G. West Newspapers are read in 86.4% of the homes of the United States each week day. One hundred twenty-five Million American adults, and 12.75 million teen agers, read newspapers every day. And yet, we have no time to read the Bible. Only a small percentage of the church-going Christians of the nation read the Bible with any degree of thoughtfulness and regularity. Should we wonder at our national rate of alcohol cunsumption, juvenile delinquency, crime, and divorce?

The more religious people are, the lower the divorce rate and the higher the marital happiness. A United States Senate sub-committee on juvenile delinquency predicts that by 1965 over one million juveniles will be held into court annually. By 1970 they say the figure will touch 1.4 million. Crimes of violence and those involving young people are showing the sharpest rise.

The crime rate: a serious crime every 15 seconds, 96.5 higher than 20 years ago.

Liquor is our number 1 enemy. The use of it is certain to dull our senses and our abilities to choose between right and wrong. The money spent for liquor could do much good for Christian work all through the world. Christian citizens today are trying to live by husk rather than the meat of the word, that is why we have such little soundness of body.

The Bible is a lamp, but it must be read. Then we ask, Why read the Bible? Where else do we find questions about God, Jesus, and the Holy Spirit? Nowhere but in the Bible.

Rough days may be ahead for Christians, but God is ruler yet. As Christian citizens we need to look up to our Heavenly Father for guidance and help in this troubled world.

Nevertheless, let us not panic. Can any one take away our faith? Can anyone destroy the Christian Church? We should all understand that this is not our world in which we live:

"This is our Father's world,
O let me ne'er forget
That though the wrong,
Seems oft so strong
God is the Ruler yet."

Respectfully submitted,
Mrs. Tyree Woody

39. REPORTS OF OUR N. C. WORK:
    a. The Report on the N. C. Baptist Children's Homes was adopted.

BAPTIST CHILDREN'S HOMES

The Baptist Children's Homes of North Carolina, Inc. is a multiple service social agency and operates under a charter granted by the state. Services are provided for dependent and neglected white and Indian children. To meet the varying needs of children, the agency provides five major services, namely: Institutional care, Foster Home care, Financial Aid in the Home, Supervision of discharged children, and Family Counseling and Rehabilitation.

In the heart of every concerned North Carolina Baptist is the work of the Baptist Children's Homes, for Christian compassion is greatest in the care of Homeless and dependent children.

Each child who comes to the Children's Home is different, with a different need to be met and a different problem to be solved. It is the responsibility of the homes to find the best solution possible. For many years that meant providing food, clothing, and shelter for orphans. Today the need has changed. Today, our work is with children who for various reasons have lost the security of home and parents.

Financial support for this year has come from the following sources: Cooperative Program, 33 per cent; Thanksgiving Offering, 30 per cent; Once-a-month Offering, 16 per cent; and all others, 21 per cent.

For the first time, income to the Children's Homes through the Cooperative Program exceeds that of the Thanksgiving Offering. This source of income meets one-third of our operating budget and is greatly appreciated. At the same time, The Thanksgiving Offering continues to be vital to our existence, providing 30 per cent of income. We sorely need an increase of one hundred thousand dollars through the Thanksgiving Offering this year. This would enable us to provide a Christian home and care for an additional 125 children.

We owe a debt of deep gratitude to our friends whose genuine concern for the welfare of our children makes this help possible—especially our Baptist people.

You have afforded hundreds of boys and girls opportunities and privileges which they otherwise could not have had.

Respectfully submitted,
Mrs. Franklin Gill

b. The Report on the N. C. Baptist Hospital was adopted.

BAPTIST HOSPITAL

The services of our Baptist Hospital are subject to heavy demands which grow heavier year by year. Last year the already overcrowded clinics of the Out-Patient Department received a new high of 83,000 visits from 96 counties of the state, 16 other states, and two foreign countries. Two-thirds of these were by our Baptist people.

One of the most pressing needs is the enlargement of the facilities of the Out-Patient Department. Along with this is the urgent need for a building to provide adequate and unified facilities for the Hospital's eight schools for the training of skilled nurses, technicians, and other medical personnel, all of whom are in short supply and are essential to good medical care in our local hospitals and communities.

The new Progressive Care Center is attracting the attention of Hospital authorities over the country. Patients have been most pleased with it. The trustees and administration greatly regret that the Hospital does not have sufficient funds to permit the admission of Service Patients to this fine facility.

The Pastors' Library now contains well over 100 volumes among the best books in various fields of Christian thought and pastoral work. It can be of great value to pastors and they are invited to use it. It is located in the Medical School Library.

The care of Service Patients remains at the heart of the work of the Baptist Hospital. In cases where help will be needed on the hospital bill, it is extremely important that this be made known in advance and the arrangements be made when the patient is admitted to the Hospital. When appointments are requested for examination it is necessary to let the Hospital know if the person needs to come through the Clinic, or if he will come as a private or full-pay patient. If a doctor is making the arrangements for a patient he should be told to make clear when he calls or writes if it is a Service or Clinic Patient. Mother's Day money cannot be used for Private Patients.

The Mother's Day Fund is the foundation of the financial aid given Service Patients. The Hospital tries to help the most needy cases as much as possible, but the funds have not been sufficient to give as much as is needed in many cases. In other cases of real need it has not been able to give any help, except the free services of the doctors and reduced rates on other items, such as X-rays, which consideration is given all Service Patients. WE MUST REMEMBER THAT THE HELP GIVEN IS LIMITED BY THE MOTHER'S DAY GIFTS OF OUR CHURCHES.

Respectfully submitted,
Mrs. C. V. Morgan, Representative

c. The Report on the Homes for the Aging was adopted.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

The N. C. Baptist Homes for the Aging is in its eleventh year. With the opening of the fourth home, the beautiful Hamilton Home, located in eastern North Carolina, we are now able to minister with loving care to 160 people, eight times more than we began with eleven years ago. However, the need for space is most urgent as there are 138 on the waiting list. We will meet the needs of the fast growing population of aging people in our state as rapidly as funds will permit.

We want to thank all of our churches who had a part in the generous "Special Day" offering, which is likely to go beyond all previous offerings by the end of the fiscal year. We would urgently appeal to each church to continue to give as liberally as possible, that all our aging friends of North Carolina may be able to enjoy the abundant life.

Less than ten percent of the members of our four homes are able to pay the cost of keep for life, therefore, let not the plea of the elderly person in our midst, "Cast me not off in the time of old age", go unheeded; but let it continue to challenge the Baptists of North Carolina as we move forward with confidence and hope in this great ministry that has been committed to us.

Respectfully submitted,
Mrs. T. T. Hughes, Sr.

d. The Report on Christian Literature was adopted.

CHRISTIAN LITERATURE

As we read in Psalm 46 "Be still and know that I AM God", we can hear Christ's tender call to "Go—Tell". He also instructed us through his inspired writers to "Study to show thyself approved unto God . . . " Baptists must keep informed not only through the Word of God but also through the printed pages of today's activities around the world. Therefore, we need to continue to place great emphasis on Christian Literature.

Our Baptist paper, the Biblical Recorder, is of vital importance to each of us; and even though this periodical will be 130 years old next year, it continues to be as fresh and as up to date as the morning headlines. It is solid and dependable yet keeps an open mind to that which is progressive and that which will help Baptists to do a better job. An informed church member is better prepared to use his vote in governmental affairs, therefore he is a better citizen of both his country and the Kingdom of God. Our concern, World Missions, is the King's business and the Recorder serves as a link between the local church and World Missions. More than 1,700 churches now have RECORDER clubs, but that number could be at least 2,000. This goal can be attained if pastors and church leaders will put forth a little more effort. The Every Family Plan, costing only 4¢ a week per family, is the best way as more than 500 churches can testify. The Club Plan is only a nickel a week or $2.50 a year.

Let us consider further the materials available for our study as I call your attention to some of the helps published by our Southern Baptist Convention: *The Sunday School Builder, Training Union Magazine, Brotherhood Journal, Church Musician, Church Administration, Home Life, The Quarterly Review, The Beam, Church Recreation, Home Mission Magazine, The Commission, The Braille Baptist,* and many, many others too numerous to name.

Statistics show that many people buy and read unsound and foul literature which is harmful to the growth of the mind and soul of man. If we are to proclaim the message of our Lord, we must be clean and strong in mind and spirit. Let each of us try to catch the vision and concern of this need that we be a circulating library to bring Christian Literature into homes around the world providing the nourishment for the minds that will build character and inspire better Christian witnessing.

Respectfully submitted,
Flora Mann, Christian Literature

HOME MISSIONS

Southern Baptist Churches gave $50,000 through the Annie Armstrong Offering to be used in relief work.

The Home Mission Board was unable to continue aid in the purchase of church and mission sites because of a drop in Cooperative Program receipts.

The 30,000 Movement nears the halfway mark with 14,210 missions and churches having been started. The goal for 1962 is 6,000.

New materials produced by the Home Mission Board stress personal soul-winning.

There are 695 Southern Baptist Chaplains in the military, 174 serving in hospitals, and 58 in correctional institutions.

Agreements between the Home Mission Board and the state mission boards now number 25. These states cooperate in the employment of most of the 1,975 missionaries which serve in all 50 states, Cuba, Panama, and the Canal Zone. These missionaries reported 54,899 professions of faith last year.

The loan funds used primarily in areas where Southern Baptists are weak numerically and local financing is difficult to obtain has reached $9 million.

A review of the work emphasizes the role the Home Mission Board plays in meeting the changing and challenging needs of our America. Churches, through their state conventions were rallied to meet unique needs, such as the Cuban Refugee problem. The spotlight of publicity was turned on other unmet needs, and ministries provided with which to meet them, such as the inner city, migrants, the deaf, and literacy. At the same time there was an emphasis on the long-range, continuing missions and evangelism programs which are the backbone of the churches' attempt in home missions to win the United States, Cuba, and Panama to faith in Jesus Christ. These are evangelism and missions with language groups, National Baptists, unchurched areas, the military, and other special groups.

Respectfully,
Mrs. H. Oliver Davis

54. The Report on Foreign Missions was adopted.

FOREIGN MISSIONS

The Great Commission of Our Lord as found in Matthew 28:19-20 is a solid biblical basis for foreign missions. Through the years Southern Baptists have accepted the challenge of our Lord and have been active in mission work. Much has been done for the glory of God but there is still much work to do. The purpose of this brief report is to give some indication of the work being done and to present a challenge worthy of our best endeavor in future foreign mission work.

A summary of Southern Baptist Foreign mission work reveals that there are now 1,563 foreign missionaries who are under appointment to 51 countries. Some of these are preachers while many others are theologians, nurses, teachers, agronomists, technicians, and publishers. Regardless of their field of service, all of these missionaries are interpreters of God's redeeming grace. It is wisely said that "They confront tremendous needs; they are weighted with heavy responsibilities; they are overwhelmed with innumerable opportunities." These dedicated servants of God request our prayers.

Through the years our foreign mission work has resulted in the establishment of 3,627 churches and 6,815 missions. The church members now total 475,727. Thousands of patients receive medical care in 18 hospitals and 56 clinics. Ministering to the needs—both physical and spiritual—of these patients are 56 missionary doctors and 55 missionary nurses. National pastors have the opportunity to attend one of our 38 theological institutions. There are 161,271 pupils enrolled in 984 schools on the mission field. Approximately 305 missionaries teach in these schools. The work of churches, schools, and hospitals is enhanced by 10 good will centers.

We must all be grateful to God for His guidance in foreign mission work. With His continuing guidance we will move forward. The work of foreign missions is never-ceasing. In the face of this fact the unanswered question is: Will we as Southern Baptists meet the needs of this exploding population? The answer to this important question depends upon every pastor and every church of the Southern Baptist Convention. We have the message! We have the resources! The total gifts for foreign missions in 1961 amounted to $17,935,615.00. This appears to be a large sum but it is only 3.5% of the total gifts to all Southern Baptist churches. We need to increase our giving and our personnel. Our Missionaries are requesting 751 additional missionaries to meet immediate needs and opportunities. With these basic needs in mind, Baker J. Cauthen presents a challenge worthy of our attention when he writes: "If resources and personnel can

be made available, we may enter into a day of missions on a world scale which will challenge more vitally than ever before every church and Christian worker in our entire fellowship."

Respectfully submitted,
Phillip Ray Morrow

NORTH CAROLINA BAPTIST COLLEGES

The cause for formal education in the community of our seven Baptist Colleges, Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest, and

Wingate, has burned brightly during the past academic year. And the spread of this vitality is measured in proportion to a continuing dedication to learning within the context of a covenant community of faith. Numerically, the total increase of students in our North Carolina Colleges is encouraging: enrollment figures for the fall semester of 1962 tabulated 9,189 aspirants, as compared with 8,447 the previous year. Of special interest also is the fact that Campbell College graduated its first senior class and Mars Hill anticipates a like occasion in the spring of 1964. Further signs of good health are evidenced in the expansion of facilities, the constant securing of competent instructors, the planning and revision of curricula—all the projection and dreams and the joy of stretching to new growth in their realization.

But this growth has been reciprocal; for much of our program of Christian education continues to be made possible through the support of local churches in the cooperative endeavor. As our denominational schools increase, so we increase. For the denominational college invests in Christian leadership, not only in those who are in "special" Christian vocations such as the ministry, missions, evangelism, church music, religious education and related fields; but in those laymen who serve in many and varied capacities in local communities.

Challenges must be met in contemporary apertures of the twentieth century, ever widening gaps between opposing ideologies, social, political, and spiritual. Christian higher education must move to bridge these chasms, crush these walls, to meet these challenges:

1. The challenge of modern youth who are desperately trying to find the meaning of existence in a world that teeters on the brink of atomic destruction on one hand and staggers under the burden of military training on the other.
2. The challenge of Christian leadership in a world that has watched the gradual decline in the number of men and women committing themselves to the Christian vocation.
3. The challenge of liberty, of individual freedom and dignity in a world which has witnessed a dehumanization of man on every level.
4. The challenge of changing culture, moving from Christian to non-Christian in practice and world view.
5. The challenge of strong academic standards and competent teaching.

Our North Carolina Baptist Colleges have endeavored faithfully "to stand in the gaps" this past year; may we ever stand with them in our encouragement, in our gifts, and in our prayers.

Respectfully submitted,
Charles Brand Parker, Jr.

10. ADDRESS: Dr. Bud E. Smith, President of Wingate College addressed the Association on North Carolina Baptist Colleges.
11. The report of the Executive Committee was read and adopted.

THE EXECUTIVE COMMITTEE

The quarterly meeting of the Executive Committee was held as scheduled with at least a quorum of members present at each meeting.

During the year action was taken and approved by the Executive Committee to paint the outside of the Associational home, repair the water heater and repair the plumbing system. The Board of Trustees were empowered to carry out this work. A new heating system was installed during the early fall by the direction of the Association at the last annual meeting.

The Executive Committee of the Flat River Association went on record as opposing the opening of Alcohol Beverage Stores in Granville County. The Executive Committee appointed a committee to carry out its wishes concerning this matter. The committee took action that we not have a warehouse revival in 1964, but that we promote the simultaneous revival effort March 29, 1964.

The Nominating Committee report included the nomination of the following persons to be presented to the Annual Associational meeting as officers for the year.

Sunday School Superintendent_____Phillip Morrow
Training Union Director_____Luey Finch
Brotherhood President _____James Sherman
Music Director_____Gary Crow

The Executive Committee recommends to you the adoption of the following matters which will be presented to you in the course of this annual meeting.

1. The adoption of the Budget as proposed by the Budget and Finance Committee.
2. The adoption of the Calendar of Activities for 1964.
3. The Executive Committee approved request to the Baptist State Convention of the Flat River Baptist Association for aid in the amount of $1,320.00.

Respectfully submitted,

12. Other Pastors recognized were:
    Leslie Giles and Mrs. Giles of Hester
    Clyde P. Pearson, Island Creek
    J. LeMar Wheeler, Mountain Creek
    M. L. Banister and Mrs. Banister, Knott's Grove
13. The report of the Promotional Director was read and adopted, and discussed briefly by the Rev. W. J. Edwards.

PROMOTIONAL DIRECTOR

It is a real pleasure to come to you in this meeting with the report of my first full year of service as your Promotional Director. We are deeply grateful for the support of the churches in our progam. Almost $7,000.00 has come directly from churches; and to this date, an amount almost equal has already been committed for the new year. After budgets have been adopted in other churches, we feel that the amount pledged will exceed that of last year. For this, we are deeply grateful.

The work we have done has been reported quarterly to the Executive Committee in three divisions; namely, the work done in the office, the work done in

the churches, and that done outside the association. I have visited in every church at least twice on Sunday for worship services and I have preached in every church but two. Other services have been rendered on request and on a first-come-first-served basis.

One of the highlights of the year was the invitation of the Home Mission Board to attend a convention-wide conference of associational missionaries at the Gulf Shore Baptist Assembly at Pass Christian, Mississippi last February. The lesson I learned at this meeting was that there is a major change taking place in the philosophy of associational missions, our most effective work is going to be done on the local church level.

In this light, our approach to the work during the next year will be different. You will notice a marked change in the calendar of activities. Some of the quarterly meetings have been discontinued; but in their place, we want to offer our services to the local church to meet some specific need.

Therefore, the theme of my report is not so much "what I have done"; but "what may I do for you that will help your church"? This will be our approach in the days ahead, and we will need your prayerful support more than ever before.

Respectfully, W. J. Edwards

14. Hymn: "For the Beauty of the Earth"
15. Miscellaneous Business:
    a. Registration cards were signed and taken up
16. The report of the work of the General Board by the Association's Board Member, Mr. W. A. Mitchiner, was read by the Rev. W. J. Edwards and adopted.

THE GENERAL BOARD

It is with regret that I am unable to make this report in person, but Mrs. Mitchiner and I made a commitment many months ago to participate in a School of Missions in Greenville, S. C. the week of October 20-25.

It has been a privilege to serve for the past four years on the Missions Committee of the General Board and on the Executive Committee for the past two years.

The General Board has charge of all the work of the Convention between sessions of the convention and meets in January and October of each year.

To make up the General Board one member is elected from each association, plus one additional member from each association with a membership of 20,000 to 40,000, and one additional member from any association with more than 40,000 members. This is limited to three members from any association and one member from any church. The present membership of the General Board is about 100 and the term of membership is four years.

Space does not permit a full account of the many phases of work done this year by the General Board and its seven committees.

This report will be limited to some of the major recommendations taken at the most recent meetings on October 14-15.

The first item of business was to receive the report of the special committee to recommend a General Secretary-Treasurer for the Convention. It is now generally known that the recommendation of Dr. Perry Crouch was overwhelmingly accepted. This recommendation will be made to the Convention in November.

The General Board voted to recommend to the Convention that $320,000 be borrowed to provide much needed Student Centers at State College and Western Carolina College.

The First Baptist Church of Boone proposed that the Convention lease a building which they would build adjacent to the church to be used as a Student Center for Appalachian State College and for a ministry to the students on Sundays. The General Board accepted the proposal and will recommend its acceptance to the Convention.

A budget for 1964 was adopted by the Board to be recommended to the Convention. The amount of this proposed budget is $4,796,810.00, of which 66% will go for state causes and 34% for Southern Baptist Convention causes.

The General Board voted to recommend to the Convention that it be permitted to negotiate the sale of the present properties at 301 Hillsboro Street on which the Baptist Building is located. It was the opinion of most members that excessive noise and inadequate parking facilities would make it a wise choice to seek to build in a more suitable place.

Members of the Board were urged to notify the churches of their Association to write to the Convention headquarters for certification cards for their messengers to the convention.

Respectfully submitted,
William A. Mitchiner

17. The report on Evangelism was read by the Rev. Leslie Giles and was adopted.

COMMITTEE ON EVANGELISM

Evangelism must have as its first aim that of confronting the world with the Gospel of Jesus Christ. Effective evangelism must not only present the Gospel, but it must also seek to secure definite decisions to follow Christ in everyday living.

There were 288 baptisms in the Flat River Association during the past year and 202 additions by transfer of letter, statement, etc.

Our evangelistic program for 1962-1963 included the State Evangelistic Conference held at the First Baptist Church in Greensboro, on February 11-13, 1963. Due to a calendar conflict there was no Associational Evangelistic Clinic held this past year. 32 churches held at least one special revival effort in the past twelve months. Some had two revivals.

1964 will mark the year of Jubilee for all Baptist bodies in America, and "Evangelism" will be the theme for this year of Jubilee. Special emphasis will be given to evangelism at the State Evangelistic Conference, scheduled for February 10-12, 1964 at the First Baptist Church in Winston Salem. Our Associational Evangelistic Clinic is planned for February 24, 1964.

All churches in the Flat River Association are urged to participate in the Convention-wide simultaneous revival effort, scheduled for March 29-April 12, 1964. There is an ever increasing demand for individual Christians and churches to promote evangelism in every area of their lives and activities.

Respectfully submitted,
Leslie Giles, Chairman

26. Reports on NORTH CAROLINA WORK:
    a. The report on the N. C. Baptist Children's Homes was adopted. Mr. Walter Wood, of the Chapel Hill Medical Center, a new work of the Children's Homes, was introduced to the Association.

BAPTIST CHILDREN'S HOMES

Building a better tomorrow has always been the dedicated concern of the Baptist Children's Homes of North Carolina. Today's children will become the adults who shape tomorrow's world. No task is more important than helping a child, hurt by life, to grow into healthy, well-adjusted, responsible citizenship.

More children were served by the Baptist Children's Homes of North Carolina last year than ever before in history. This was made possible by the interest, prayers and giving of North Carolina Baptists and other friends. We are indeed grateful for every remembrance—the Thanksgiving Offering, once-a-month offerings, Cooperative Program, gifts, food, clothing, and other things. Without

these we could not provide the many services to children and families which we do.

We have been reminded for several years of a growing need for specialized services for an increasing number of children who suffer emotional illness. We are happy to report that these services are being provided a limited number of children in a small home at Chapel Hill in cooperation with the University Medical Center. They are receiving the best professional, medical help that can be provided. We are most fortunate to have this facility. It will strengthen greatly our entire program of child care.

We are compelled to keep our pressing needs before you. Applications for the admission of children are increasing. Relatives, pastors, friends of dependent children, departments of Public Welfare, and others plead with the leadership of the Homes daily for help. A familiar plea is, "Unless you can help this child, there is no hope for him". We lay upon your hearts three areas of need:

1. An immediate increase in the number of children in good Christian foster homes in all areas of the state.
2. Continuous expansion and up-grading of facilities to enable the Homes to keep abreast of the best in child care.
3. An increase in financial support to undergird and strengthen the entire program.

A generous Thanksgiving Offering is a MUST! Without it we cannot maintain what we now have in progress. We would challenge pastors, Sunday School Superintendents, and church leaders to make the best preparation possible for the forthcoming offering. Giving for the care of dependent children affords one of the greatest joys in Christian service.

Financial support for the past year has come from the following sources:

Cooperative Program	33 Per Cent
Thanksgiving Offering	30 Per Cent
Once-A-Month Offerings	16 Per Cent
All other	21 Per Cent

CHARITY AND CHILDREN, the official publication of the Homes, is now in its 76th year of publication and is widely read by our Baptist people. It has been one of the best religious papers published among Southern Baptists. Every family in every church is invited to be among readers to keep informed about our child care program and the World Mission of our Lord. An issue of *Charity and Children* can be enjoyed each week during the year for only sixty cents. See that your church receives it.

Respectfully submitted,
Mrs. Franklin Gill

b. The report on the N. C. Baptist Hospital was read and adopted.

BAPTIST HOSPITAL

The opportunity of serving persons created in the image of God is a high and holy privilege.

Our association has an opportunity in helping multiplied thousands of people

who are sick in body, mind, and spirit; and who come to our Baptist Hospital seeking help. We reach out the hand of love and mercy through the skilled and dedicated hands of our doctors, nurses, chaplains, and many others involved in this ministry to the "total person. This year, 27 of our 32 churches have given $2,405 to this very worthy cause through the Mother's Day Fund, designated gifts, or the church budget. Our $2,405 has helped to pay the bills for those who could not pay for themselves. The $176,000 which the Hospital receives from the Cooperative Program must go to help pay for buildings, purchase equipment, and support the Department of Pastoral Care.

We wish to thank our people for their share in this ministry.

Respectfully submitted,
Charles F. Lloyd

c. The report on the Homes for the Aging was read by Mrs. T. T. Hughes, Sr., and adopted.

N. C. BAPTIST HOMES FOR THE AGING

The ministry of our N. C. Baptist Homes for the Aging has been wonderfully blessed during the twelve years of its operation.

With the four Baptist Homes, the Hayes Home and Resthaven in Winston-Salem, the Albemarle Home at Albemarle, and the Hamilton Home at Hamilton, they are able to serve with loving care the 160 residents. However, there are 160 more who are waiting for admission that urgently need to come.

The lovely new Hamilton Home opened its doors in 1962 and the halls are filled with laughter and happiness, which brings joy to the Baptists in Eastern North Carolina.

The average age of the residents is 80. The youngest is 65 and the oldest is 102 years old. The Homes are striving to meet the need of each individual, surrounding them with Christian love, peace, and security. In time of illness or disability, they receive tender nursing care which we think add years to the life of those in our care.

The Baptist Homes for the Aging are continually dependent on the Baptist people and their churches for their prayers, visits, and loving concern; and for the financial support of the homes. Since they receive only one third of 10 percent of the State Convention share of the Cooperative Program, they will have to continue to look to the "Special Day" offerings from the churches on the 3rd Sunday in February each year.

We have faith to believe and are looking forward to the day when we will have space to reach and serve the aging people from every part of North Carolina.

Respectfully submitted,
Mrs. T. T. Hughes, Sr.

27. ADDRESS: The Rev. Clyde Chapman, Pastor of the First Baptist Church, Spencer, addressed the Association representing the Service Agencies of the State.
28. Mr. C. Gordon Maddrey, of the Baptist Foundation, was recognized and spoke very briefly regarding the work of the Foundation.
29. REPORTS ON ASSOCIATIONAL WORK:
    a. The report of the Sunday School was read and adopted.

SUNDAY SCHOOL

All the churches in our association continue to promote Sunday School work. In addition to the work in the local churches, two of our churches operated mission schools this past year. The Extension Department of the Oxford Baptist Church operated a mission school at Bryant's Boarding Home, and Island Creek's Kerr Harbor Lakeside Chapel Sunday School was operated through the summer months.

Sunday School officers and teachers were helped by the Bible Teaching Clinics in February, 1963. Two clinics were held simultaneously at Pleasant Grove and Enon churches. Professors from Southeastern Baptist Theological Seminary taught the study course book entitled PREPARING TO TEACH THE BIBLE by Howard P. Colson.

The Vacation Bible School Clinic was held April 16, 1963, at Oxford Baptist Church. Attendance was very good.

Vacation Bible Schools were held in 30 of our churches. 30 churches reported an enrollment of 2,769 with 74 professions of faith, and many rededications.

Action Night was held on September 10, 1963, at West Oxford Baptist Church. Only 77 persons from 13 churches attended. Our attendance goal for Action Night, 1964 is 200.

The theme for the 1963-64 associational year is "Outreach for the Unreached—Spearhead for Evangelism." It is our hope and prayer that the Sunday Schools in our association will emphasize evangelism as never before. The lost people in our church communities can be won if we go out into the communities and witness for our Lord. "GO home to thy friends, and TELL them how great things the Lord hath done for thee, and hath had compassion on thee." (Mark 5:19)

Respectfully submitted,
Phillip Ray Morrow

Sunday School

b. The report of the Training Union was read and adopted.

TRAINING UNION

The Baptist Training Union is the *Teaching Ministry* of a Baptist church for all the members just as are the worship services, prayer service, and Sunday School. A loyal church member cannot ignore any all-church ministry.

The training ministry is not optional for the church or the church member if there is going to be spiritual growth and dynamic leadership, but a necessity. The Bible commands it. Real training involves learning by doing. Jesus said

in the Great Commission, "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: lo, I am with you always, even unto the end of the world" (Matt. 28:19-20)

Today, great emphasis is placed on education and trained leadership. We encourage our children to get an education and train themselves for some particular job. School teachers are hired and paid according to their degrees and certificates. Churches are calling only the best trained ministers today, ones that are seminary trained, or are in the process. Since training is so important in other fields and for the minister it should be important for the church member, so as to be an approved workman for God rightly teaching God's Word to His people.

The Training Union is the grass roots of training in our denominational and church life. Many pastors, missionaries, and church leaders testify to the fact that they first experienced the call to greater service for the Lord in a Baptist Training Union.

The main objectives of Training Union are as follows:

1. To deepen the spiritual life of its members. To train all to work, to share, to give, and discover and develop those who can lead.
2. To help members to gain a better understanding of the Bible as God's divinely inspired and revealed word and the authoritative rule for human faith and conduct.
3. To help members to understand the doctrines of our faith and their meaning for life.
4. To help members to develop specific understanding, attitudes, skills, appreciations, and habits needed to participate effectively in the organized life of their church and denomination.
5. To help members to understand the need for missionaries and to be more effective witnesses for Christ each day.

This past year, the goal of Baptist Training Union work in our association was to try to accomplish some of these objectives. Much work was done this year in the local church and on the associational level to reach these objectives.

"M" Night was held at the Oxford Baptist Church, December 10, 1962. An inspirational message was bought to us by the late Dr. Douglas Branch, at that time Executive Secretary of the Baptist State Convention of North Carolina.

Youth Night was held at Delrayno Baptist Church on Saturday evening, March 23, 1963. The meeting was enlightening and inspirational to the few that attended. The program consisted of a panel, made up of two young people, Judy Clark and Vernon Morton; a physician, Dr. L. S. Daniel; a pastor, Rev. H. W. Baucom, Jr.; and a mother, Mrs. Charlie Barker. The young people present were given a slip of paper on which to write their questions. These questions were directed to different ones on the panel.

Our Associational Elimination Tournaments were held at Grassy Creek Baptist Church, March 19, 1963. There were several Junior winners, one young person was selected to represent our association in the Young People's Speaker's Tournament, and one adult was selected to repesent us in Adult Scripture Reading at the Region IV Convention in Burlington.

A Mass Fellowship meeting was held at Tabbs Creek. Hoping to create an interest in our Training Union work, a picnic supper was planned to be followed by an hour of fellowship. Those attending enjoyed the Christian fellowship. The meeting ended with a brief devotion by Rev. J. Lemar Wheeler.

Our needs are more people attending these meetings and more churches having Training Union and enlisting their people in a program of training to develop

better church leaders. The Training Union is a school in Christian living, where we learn by doing. You need your Training Union and your Training Union needs you, since you are not your own but bought instruments of God through the death of Christ. Through Training Union you come as instruments of God to be sharpened for service in His Kingdom.

Respectfully submitted,
Mrs. Hesley Clark, Director
Associational Training Union

c. The report of Woman's Missionary Union was read by Mrs. E. A. Abbott and adopted.

WOMAN'S MISSIONARY UNION

As we come to the close of the associational year, the observance of the 75th Anniversary of Woman's Missionary Union has ended. Again, we praise God for the past and thank Him for the future. Now we approach the "Year of Jubilee", the last year of the Baptist Jubilee Advance.

There are thirty one Woman's Missionary Societies, fourteen Young Woman's Auxiliaries, twenty two Girl's Auxiliaries, twenty four Sunbeam Bands. You will notice even though our Young people's work has grown, these figures present a challange to our women. Our young people's work is recognized as one of the most important phases of associational work. The cry is heard far and wide over our association, "we have no one to lead us." Let us take a look at ourselves. Evaluate the work of Woman's Missionary Union. Let's discover how many members are being missionaries in their communities and around the world. What are they actually doing? What results in transformed lives and neighborhoods could be seen. This is the record the Lord keeps.

Special emphasis has been on leadership training these past years. We are happy to report that we have 302 ladies completing the course. The purpose of Woman's Missionary Union is to make Christ known at home and around the world through programs of mission study, prayer, stewardship, and community missions, to enlist women and youth in definite study.

Woman's Missionary Union in the Flat River Association has progressed in all phases of W. M. U. work.

Respectfully submitted,
Mrs. Brodie O'Brien,
President, W.M.U.

d. The report of the Brotherhood was adopted.

BROTHERHOOD

This has been a wonderful year in the association with the 13 Brotherhoods at work in all four areas of the work. The R. A.'s have been busy at work with

the new R. A. Program. There has also been time for outings; and baseball played on a competitive basis. This is an important program to be continued by all the Brotherhoods.

We are making real progress toward our goal to enlist and train the men and boys of the churches. We promoted two Deacons Schools last fall with good results. Rev. Guy Cain conducted the school at Peace's Chapel and Rev. Ernest Upchurch conducted the school at Bullock. Rev. Clyde Davis, State Brotherhood Secretary, spoke to our men at the Oxford Baptist Church on September 17, 1963.

We engaged in our first associational R. A. Camp at Chowan College in July of this year. The G. A.'s were invited to share in the camp. It was so successful that plans are already being made for a repeat camp next year. Rev. J. Lemar Wheeler, pastor at Mountain Creek, served as Director and has agreed to serve next year.

Plans are being made for a Workshop to be held in November, and we urge you to participate in the meeting. New materials will be offered which will do much to strengthen the work of the local Brotherhood as well as our work on the associational level.

Our desire is that every church in the association have an active Brotherhood organization. We have set as a goal to promote the program in all the churches with the hope that we will be able to organize at least two new Brotherhoods this year.

Remember! Enlist the men in YOUR church for Christ's Service.

Respectfully submitted,
J. E. Rawls, President
Associational Brotherhood

e. The Missions-Advisory Committee report was read by it's chairman, the Rev. Warren T. Bush and adopted.

THE MISSIONS-ADVISORY COMMITTEE

We are happy to say that the churches have continued to carry on mission work in our Association such as the Island Creek Baptist Church at the Kerr Lake Mission Point, the Oxford Church with its mission at the Bryant Boarding Home, the Hester Church with services at the Prison Camp.

The following resolutions were referred to the Executive Committee where favorable action was taken.

1. They recommended that the Trustees be instructed to locate an identification sign at the Associational Office and a directional sign at the corner of Cherry Street and Mooreland Drive. The Executive Committee gave its unanimous approval to this recommendation. Motion: O. J. Elms; Second: Hesley Clark.
2. The Missions-Advisory Committee recommended that the Executive Committee give approval for the Associational V.B.S. Clinic Team to conduct a Negro Clinic if there is a need and desire for such. Unanimous approval was given. (Motion: O. J. Elms: Second: Tom M. Jones.)

The Missions-Advisory Committee recommended that the Treasurer be au-

thorized to pay Mr. Edwards the $100.00 (one hundred dollars) for 1963 Southern Baptist Convention expense in the current budget so that he can use this plus the 1964 allotment to attend the Southern Baptist Convention in 1964. A motion was made and seconded that this recommendation be accepted. The motion carried.

f. The Christian Literature report was read by the Rev. Walter C. Mitchell and was adopted.

CHRISTIAN LITERATURE—1963

Fellow Laborers, as we undertake to reach others in Christ's name with His message, we are reminded of an instruction by the inspired writer in 2 Timothy 2:15: "Study to show thyself approved unto God . . . " Study is necessary for all Christians who want to know the world in which we live; and the study of Christian Literature gives us a world view with a Christian interpretation. It is important not only to hide the Word of God within our hearts, but also study the literature that is Christ centered and this enables us to keep up with events and services in our fields and denomination, and helps us to be more effective Christians.

Those people who are concerned about the condition of our denomination, country, and world are informed people. You can take an important step toward becoming better informed by studying our Baptist paper—The Biblical Recorder —and many other special publications available.

THE BIBLICAL RECORDER has very nearly grown up with North Carolina Baptists and the State Convention that they support. Statistics show that the Convention was organized in 1830; and just three years later, the Biblical Recorder made its first appearance. It has been busy ever since strengthening and undergirding all that Baptists of this state love and support. As the Convention has grown, the Recorder has grown in influence and circulation. We are told that today it has more than 80,000 subscribers, the largest in its 130-year history.

Please note the subscription plans: Individual Plan, $3.00 per year; Club Plan, $2.50 per year; and Every Family Plan, $2.00 per year. Even better than this bonus plan is the Every Family Plan which sends the Recorder to every family in your church for only 4¢ per week, per family.

As we consider further the materials available for our help, I would call your attention to some of the periodicals published by our Southern Baptist Convention: The Sunday School Builder, Training Union Magazine, Brotherhood Journal, Church Musician, Church Administration, Home Life, The Quarterly Review, The Beam, Church Recreation, Home Missions Magazine, The Commission, The Braille Baptist, and many others far too numerous to name.

These above mentioned periodicals, plus Biblical Recorder, help us to realize why every baptist should welcome Christian literature. It furnishes: indoctrination, enlistment, inspiration, communication, and unity.

The studying of this Christian literature also develops and helps to maintain a spirit of togetherness among its readers. This spirit has had much to do with the progress that North Carolina Baptists have made through the years. Therefore, let us prayerfully provide *Christian Literature* for the nourishment of the minds that will help to build character and inspire all people everywhere to greater Christian witnessing.

Respectfully submitted,
Flora O. Mann, Chairman

30. The report on the Annuity Board which was scheduled for the following day was read and adopted. The author of the report could not be present at the scheduled time.

ANNUITY BOARD

The Southern Baptist Protection Plan now provides a special death benefit for all members, both ministers and denominational workers, under 40 years of age. It covers both natural and accidental death.

If the member dies a natural death before age 40, a cash settlement is made to the widow or estate equal to the salary on which dues are being paid. If his death is accidental, this amount is doubled. There is no additional charge for this special feature. If the member is paying on an annual salary of $4,000, his beneficiary will receive this amount, or double if death is accidental.

More than 41 million dollars have been paid in benefits by the board since its beginning in 1918. Last year, the benefits totaled more than 3 million dollars to more than 4,500 ministers and denominational workers or their families; and to about 750 who are on relief.

As of April 1, 1963, the Total membership in the plan was about 25,000. More than 15,964 of our churches are enrolled and 121 of the 212 institutions are in the plan for their employees. The cost is 10% of the salary, paid by the church or institution, and 5% of the member's salary is paid by the State Convention. In many instances, the church pays all of the church's part.

In the Flat River Association, 17 churches are partiicpating in the plan. These are: Bullock, Butner, Concord, Corinth, Dexter, Delrayno, Enon, Florence Ave., Grassy Creek, Hester, Island Creek, Creedmoor, First, Mountain Creek, Mt. Zion, Oxford, Peace's Chapel, and West Oxford. The association also participates.

Rev. Guy Cain, Baptist Building, Raleigh, N. C. is the Field Representative, and is available for personal conferences regarding any phase of the Board's work.

Respectfully submitted,
Clarence Bishop

31. The report of the American Bible Society was adopted.

THE AMERICAN BIBLE SOCIETY

In 1962 important advances in the Christian world mission were made by your Bible Society.

Scripture distribution rises to a record high, with 31,523,455 copies in 1962 by the Bible Society. This is an increase over 1961 of 7,340,431 volumes.

In 1962 missions and churches overseas called upon the Bible Society for an increase of 48.3 per cent in the number of Scripture volumes required for their work and witness, a total of 17,032,704 copies in more than 100 countries, in over 300 languages.

The huge increase in the distribution of the Scriptures overseas is reflected in rises in circulation across the entire range of Bible Society publications, including Bibles, New Testaments, Gospel Portions, and Scripture Selections.

In the Society's budget for 1963, the largest single increase ($292,429) is for the distribution of the Scriptures overseas.

The Bible Society at work in the U.S.A. The need on the home front is under-

scored by the fact that one of every 9 people in the United States is a "language" person who does not know Christ as Saviour, one of each of the remaining 8 is destitute or in a hospital or other institution, 2 of the remaining 7 profess no connection with any church.

The Bible Society circulated a total of 14,590,751 copies of the Scriptures in the United States in 1962.

Several denominations used especially-imprinted Gospels for extensive visitation and evengelistic programs.

In 1962 the American Bible Society supplied the armed forces with 977,723 volumes of Scriptures free. The requests of the military continues to exceed the ability of the Society to provide them.

Last year 53,655 Braille volumes and Talking Book records were distributed in more than 40 languages and systems to the blind.

The Society is engaged in a greatly accelerated program of Scripture translation and revision which is providing the Biblical text in the contemporary speech of more and more people throughout the world.

The churches of the United States gave $1,191,233.11 in 1962 for the world-wide translation, publication, and distribution of the Bible through the American Bible Society, an increase of $125,583.12 over the previous year. This amount represents a very small proportion of total contributions for all church work (2¾ billion), but it does reflect a growing interest on the part of the leadership of the churches in making the Bible available to all men, and in spreading the Good News of Christ.

In 1961 Southern Baptists gave the largest amount of any single denomination, but in 1962 we fell short. Again we permitted the Methodist denomination to go on top with $206,580.84, against Southern Baptist's $158,206.98.

32. Hymn: "Come, Thou Almighty King"
33. The report on Christian Citizenship was read by Mrs. J. T. Woody and was adopted.

CHRISTIAN CITIZENSHIP

One of the challenges of following Jesus is his demand for an all-outness on the part of those professing Him. According to the Bible, God is concerned about man's life in its entirety, not just one part of his life. Because citizenship is actually a vital part of Christian living, it is especially important that the Christian learn what God expects of him in this area. A Christian is a citizen of the Kingdom of God and of his country. His obligation as a citizen of heaven is to "seek first the Kingdom of God and His righteousness". (Matt. 6:33). As evidence of his heavenly citizenship, the Christian should be a model citizen and measure up to the highest standards of loyalty to his country. God desires all things to be done according to law and order. A Christian should give priority to God's claims, not to the matters of state, where definite choices of right and wrong are concerned. To accept the state's wrong as right is patriot-

ism to the devil. History teaches the danger of rendering to Caesar the things that are God's; namely, faith, worship, and absolute obedience.

Christians should recognize that Church and State ought to be separate. For the citizens of the United States, the separation of the Church and State has both biblical and constitutional basis. Daniel Webster has said: "A Christian should obey the law of the land. A man is not a good Christian nor a worthy citizen who in any manner encourages the breaking of a law".

Christians should respect and honor the governing authorities as 'ministers of God'. Church members should be trained to assume their responsibilities as Christian citizens. Further, they should be taught to be instruments of the will of God as it applies to citizenship as well as in other areas of life. A Christian should never separate his belief from his behavior at any point.

With an understanding of the purpose of government and his responsibilities to his government, the Christian is "thoroughly furnished to the good work of citizenship".

Mrs. Tyree Woody

STATE MISSIONS

There are seventeen (17) different services that are rendered by the State Missions Department, which is the oldest department of the North Carolina Baptist State Convention.

These missions are: Church Development, Inter-racial Cooperation, Fruitland Bible Institute, Ministry to the Deaf, Seminary Extension Programs, Cherokee Ministry, and Military Personnel. These are administered directly by secretaries and directors.

Ten areas of work are promoted and supervised by Mission Division Director E. L. Spivey. They are: Associational Missions, Institutional Ministries, Special Summer Mission Work, Pastors' Schools, Schools of Missions, Pastoral Aid, Church Lot Aid, Church Loan, 30,000 Movement, and work with the Japanese.

What is State Missions? You name it and if it is the promotion of any type of Soul Winning Activity then that is State Missions. May it not be said by our Lord when He returns that Flat River Baptists failed Him in any of these 17 different places of service where we could have served Him.

Respectfully submitted,
E. W. Greene

41. The report on the Cooperative Program was given by the Rev. Walter C. Mitchell and was adopted.

COOPERATIVE PROGRAM REPORT 1963

We have the opportunity as Southern Baptists to share Christ with the world through the Cooperative Program. The Cooperative Program involves each Baptist in the evangelization of all the world. The Cooperative Program is the love of God in action. The Cooperative Program is the hands of Christ extended to carry out the mission of the Master on earth. Each individual Baptist is given the privilege of having a part in the total ministry of our Lord through the Cooperative Program as each member places his tithe in the local church, and as each local church passes on to the State Convention a worthy portion of its total budget, and as each State Convention shares with the Souhern Baptist Convention to meet the total world mission program.

Of the 32 churches in the Flat River Association, 31 of our churches have reported a total mission expenditure of $83,764.00. This is an increase of $8,955.00 over the figures reported last year. Let us rejoice in this increase and determine to set a higher goal for next year.

In planning our budgets and in the operation of them, let each church be encouraged to increase the percentage of the total budget allocated for world missions through the Cooperative Program by at least two percentage points until as much is given for world missions as for local ministries.

Respectfully submitted,
Walter C. Mitchell

d. The Rev. Charles Lloyd made the motion that in the future the reports be printed and distributed prior to the Association meeting and not be read in the Associational meeting.

The Rev. H. W. Baucom, Jr. moved that the motion be tabled. This motion was carried.

57. The report on Foreign Missions was read by the Rev. Clyde Pearson and was adopted.

FOREIGN MISSIONS

Baker J. Cauthen, Executive Secretary of the Foreign Mission Board of the Southern Baptist Convention, prefaced the Foreign Mission Board's report with this observation: "Statistical figures can never tell the story of missionary labor; they can only give a rough idea of some of the visible evidences which have come about. They can never tell the story of the deep dedication, patience, forbearance, and long-suffering which characterize God's servants as they meet the realities of mission ministries in many lands."

It is hoped that the following comparative statistics will be more than statistics as you study them, and will become real, live people—God's people doing God's work for the sake of Jesus Christ.

The Foreign Mission Board is the arm of Southern Baptist churches in a program of world-wide evangelism. We are grateful to God for the way He has used this agency and the dedicated lives of our missionaries in sharing the Gospel of Christ with the lost people of our world. But even our gratitude returns to us as a challenge as we are forced to ask ourselves: "What right have we to remain here, comfortable and complacent, untouched and unmoved by the diseased bodies, demon-possessed minds, and sin-darkened souls of the world's masses?" At the end of 1962, there were 790 urgent requests for new missionaries. How many of these dedicated lives will we provide? Our Foreign Board tells us that in order to maintain the present level of mission work and provide for a minimum advance, our gifts to the work must increase at the rate of one million dollars each year. How much of this increase will we provide? Only Christ Jesus can save our world, and we must remember that we are a part of that world which must be saved. May God help us to develop stronger convictions concerning our part in this world-wide task.

Respectfully submitted,
Clyde P. Pearson

NORTH CAROLINA BAPTIST COLLEGES

The seven Baptist colleges in North Carolina represent one of the finest systems of higher education in America, and have received wide recognition from accrediting agencies and other standard-making groups.

These colleges are strategically located in every section of the state—from the Coastal Plains to the Blue Ridge Mountains. They are accredited institutions, providing quality education each year for more than 10,000 students.

A famous educator says that good education causes a person "to think effectively, communicate clearly, make relevant judgements, and discriminate among values." The Christian college believes that only in the mind of Christ can these objectives be truly reached.

The Christian college also knows that the youth of today are capable of asking profound questions about life and its meanings. Many young people in the 20th century are not satisfied to learn only how to make a living. They are also wanting to know how to live a creative and meaningful life. The Christian college helps the student to find a purpose in life to which he can direct the full measure of his talents, a purpose worthy of the best that he has.

The Christian college is a true mission to the minds of men and women, recognizing that each student is an entity of value and eternal significance, and that each is loved of God, who has revealed Himself completely in the person and work of Jesus Christ.

Respectfully submitted,
Mrs. H. Oliver Davis

The Brotherhood and WMU were encouraged to share funds to provide for a missionary speaker for our Associational G.A. and R.A. Camp.

It was approved to present Mr. Carl Blake $13.00 to supplement the amount paid by the Home Mission Board for his room and board at Ridgecrest during Home Mission Week, August 13-19, 1964. ,

Motion was made, and passed that the Budget Committee be encouraged to discuss the proposal of the Mission and Advisory Committee that the Associational Sunday School Superintendent, Woman's Missionary Union President, Training Union Director, Brotherhood President and Music Director be provided means to attend conferences for their respective departments, preferably at Ridgecrest. This would be a week of training.

The budget recommended by the Budget Committee was adopted with the addition of $200.00 to make it possible for our Association to have full participation in the Relief and Annuity Program.

A request of $1,320.00 from the Baptist State Convention was approved.

The Budget Committee Chairman requested permission to purchase an adding machine for use in the Associational office. One valued at $191.86 could be obtained for a cost of $150.00. The request was approved.

The Program for the Associational meeting was approved.

A request to establish an Advisory Committee to investigate and if advisable, establish a Seminary Extension Center was approved.

13. The report of the Promotional Director was read by the Rev. W. J. Edwards, discussed by him and adopted.

PROMOTIONAL DIRECTOR

It is with a deep sense of gratitude that I make this report. We are grateful for the support of the churches both financially and the way in which you have utilized the services of your associational office. From the financial side, more than $7,000 came from 31 of our churches; and it looks now as if this amount will be increased some in the new year. Space does not permit the listing of all the services which have been rendered in and to the churches; but following the outline of my report to the Division of Missions, Raleigh, and to the Associational Executive Committee, I report an outline of my activities for the year 1963-1964 as follows:

I—VISITS MADE TO THE CHURCHES:

1. Visits were made to every church in the association (some more than others on special invitation or to render some specific service) for a total of 122 services.
2. Made 270 contacts with pastors and lay people in the local church field.

II—IN THE OFFICE:

1. Issued 9,094 pieces of mail including the monthly News-letter and other bulk mailings.
2. Held 477 individual conferences, 40 group meetings, and 60 committee meetings.
3. Routine Promotion according to the Calendar of Activities which included the conducting of the Flat River Baptist Hour, planning for special events, working with every associational organization in planning and promoting their programs which involved 20 association-wide meetings during the year.

III—OUTSIDE THE ASSOCIATION:

1. Regular visits were made to the campus of Southeastern Seminary for the purpose of visiting our student pastors on Campus.
2. Special Services: Appeared on the program of the Cullom Association to represent the North Carolina Baptist Foundation, and spoke at the Swepsonville Baptist Church, Swepsonville, North Carolina, in interest of the Baptist Hospital and the Mothers' Day Offering.
3. Attended the following meetings: Associational Missionaries' Conference at Fruitland, Home Mission Week at Ridgecrest, Church Leadership Conference at Waynesville, North Carolina, and the area Adult Meeting at Durham.

I traveled a total of 13,605 miles during the year.

I could not close this report without adding a very personal word of appreciation for your wonderful support both in prayer and financially during our days of crisis in January. I am grateful to the pastors for suggesting the "Bill Edwards Day" in the churches and for the undeserved response on your part of more than $1,168.00. The money meant much to us, but your willingness to participate did more for us than you will ever know.

I must also add a "thank you" for my wonderful wife and the way in which she stood by and assisted in the function of my duties during the days of illness and recuperation. I could not have made it without her.

In this year, God has been so good to us and has become so real, our love

for you has deepened, our life has been renewed; so together, let us press on to do really great things for God in our part of God's great vineyard.

Respectfully submitted,
W. J. Edwards

16. The North Carolina Baptist Foundation Report was adopted.

NORTH CAROLINA BAPTIST FOUNDATION, INC.

In the widest sense Stewardship "is the maximum use of one's life for the glory of God and the good of mankind. The North Carolina Baptist Foundation, Inc., encourages the Stewardship of Current Income in systematic and proportionate giving from current income. The Foundation also encourages the Stewardship of Accumulated Possessions by single block giving at infrequent intervals from accumulated income during one's lifetime and/or at one's death. You will note that the Baptists have put the major emphasis on the Stewardship of Current Income. The Baptist Foundation seeks to put a stronger emphasis on the Stewardship of Accumulated Income. There are many ways that the Foundation assists a person in making his gifts through accumulated income such as:

1. By living trust
2. By gift annuity
3. By bequests in wills

The Foundation also serves by meeting with you and your attorney upon your request in connection with preparation of legal documents where the Baptist Foundation is to be involved. The Foundation offers services to individual churches, associations, and to all of our Baptist agencies and institutions.

We have been emphasizing the making of Christian wills. We have two films, "God's Will Through Yours" and "Treasures In Heaven," on Christian will making, which are available to any organization upon request.

Respectfully submitted,
C. Gordon Maddrey,
Executive Secretary

25. Reports on North Carolina Baptist Institutions:
    a. The report on the Children's Homes was adopted.

BAPTIST CHILDREN'S HOMES

Helping children and young people to grow and develop toward Christian maturity is one of the greatest privileges in life. It is the purpose of the Children's Homes to develop the highest quality of men and women possible out of boys and girls who are served. Careful attention is given to their needs, both present and future.

Children are accepted as they are when they come to the Homes. In the spirit of Christ, they are recognized for their sacred worth and value. They are provided food, clothing and shelter. But of greater importance than material things is the genuine interest, concern and love given every child by the Christian men and women who work with them. Many children who have known only heartbreak and tragedy learn to love again—learn to trust in themselves, in adults and God.

A member of this year's senior class expressed her appreciation for the Children's Homes in the following way: "Living at one of the Homes has given me a chance to make something out of myself. I have been afforded the opportunity of getting a good education. Things have been learned and friendships have been formed which will bless my life as long as I live. Best of all I have learned to know, to trust, to follow and to serve Christ as my Saviour. I want North Carolina Baptists to know how much I appreciate all that they have done for me and for thousands of other boys and girls who have needed a home, love and care."

Applications for the admission of children to the Homes far exceed resources with which to care for them. Areas of unmet need in child care await our attention. Many couples who have a double measure of love to share with homeless and dependent children have a wonderful opportunity of service awaiting them through the foster home program.

Genuine appreciation is expressed by those who direct our child care program for all who have helped to make this ministry possible. Income through the Cooperative Program, through the Thanksgiving offering and through special gifts are vital to the services which are provided those who need our help. Financial support for the past year has come from the following sources:

Cooperative Program—36 Per Cent, Thanksgiving Offering—30 Per Cent, Once-a-Month Offerings—15 Per Cent, All Other—19 Per Cent.

Respectfully submitted,
Mrs. Marrow Stovall

b. The report on the Homes for the Aging was adopted.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

Our Baptist Homes have been greatly blessed during their thirteen years of operation. Growth has been rapid, but the need for additional space is stagger-

ing. We have come from 1 resident and 1 building, since March of 1951, to 160 residents and 4 buildings in 1964. Today there are 170 people waiting for admission. There are hundreds of inquiries during any given year from aging persons who are sick, for whom we cannot care because of lack of bed patient space.

The best news for 1964 is the development of a fifth Baptist Home, to be located at Yanceyville, North Carolina. We are hoping to begin construction on this new project this year. We will be able to take care of 30 additional residents. The land and money were given to the Baptist Foundation of North Carolina for us, by the late R. Sterling Graves and his sister, Mrs. Sallie Willie Graves Bradsher, to build and equip the Home at Yanceyville.

Today North Carolina Baptists are contributing an average of $90.00 a month on the cost of care of 90% of the residents who live in our Baptist Homes at Resthaven and the Hayes Home in Winston-Salem, at the Albemarle Home and Hamilton Home.

These needy residents continually depend on the 3400 Baptist churches for support that comes through the Special Day Offerings received the third Sunday of February each year. There was a 5% decline in gifts to the Homes during 1963.

The youngest resident celebrated her 66th birthday in January, and the oldest her 103 birthday in July. All are praying for the world and its needs. All are expressing thanksgiving to God for the people called "Baptists", and for the happiness and security of the Homes that our Baptist people are helping to make possible for them.

Let us join our hearts in prayer and our lives in dedication that we may give a good account of our stewardship in this great area of human concern and give an answer to as many of these dear people as possible.

Respectfully submitted,
Mrs. Douglas Hite

c. The report on the Baptist Hospital was adopted.

BAPTIST HOSPITAL

This is a crucial year in the life of our Baptist Hospital. It is serving more sick people than ever before in its history. At the same time, the needs continue to grow faster than its capacity to serve. For more than a year there has been an average of above 700 sick people on the waiting list for beds. A number of seriously ill or injured persons have had to be sent from the emergency rooms to other hospitals because no beds were available.

Another difficult problem, is that of meeting the cost of caring for those who cannot pay for the service they need. Our hospital tries to get all the help it can for these persons from welfare and health agencies, but these agencies do not pay the total cost and many persons are not eligible for such assistance.

The hospital receives a share of our Cooperative Program funds but the Mother's Day Offering is the only means of filling the gap between the funds available and the cost of caring for those who cannot pay for their medical expenses.

This is a tremendous burden and responsibility. We ask continued help from

our churches to have a part in this greatly needed and wonderful ministry to which Jesus gave Himself without reserve. We who are His followers must not fail those to whom He would minister through us.

Respectfully submitted,
Charles F. Lloyd

26. ADDRESS: Dr. W. K. McGee of the N. C. Baptist Hospital in Winston-Salem addressed the Association on the Services Agencies of the Convention.

27. Reports on our Associational work:
a. The report on the Sunday School was adopted.

SUNDAY SCHOOL

All the churches in our association continue to promote Sunday School work. In addition to the work in the local churches, two of our churches operated mission schools this past year. The Extension Department of the Oxford Baptist Church operated a mission school at Bryant's Boarding Home, and Island Creek's Kerr Harbor Lakeside Chapel Sunday School was operated through the summer months.

At the request of Stovall church several of our pastors participated in a workshop held for the benefit of the Sunday School teachers at Stovall.

The Vacation Bible School Clinic was held April 27, 1964 at Oxford Baptist Church. Attendance was very good.

Vacation Bible Schools were held in 31 of our churches. These churches reported an enrollment of 2,967 with 72 professions of faith and 225 rededications. West Oxford and Mountain Creek churches met the qualifications and were graded as Standard schools for the second year.

Instead of having the associational Action Night program scheduled for September 15, 1964 our Sunday School workers were encouraged to attend the area Adult Thrust meeting held at Greystone Baptist Church in Durham on September 17, 1964. Our association was well-represented at this meeting.

One of the great challenges facing our churches in the new associational year is the challenge to win the lost and enlist the inactive adults in our local church communities. It is our hope and prayer that the Sunday Schools in the Flat River Association will meet this challenge.

Respectfully submitted,
Phillip Ray Morrow
Superintendent, Associational
Sunday School

b. The report on the Training Union was adopted.

TRAINING UNION

Our Association Training Union activities for the past year was high-lighted by three annual events. "M" Night in December, and the Training Union Tournaments and Youth Night held in March.

Our "M" Night Program was held at the First Baptist church in Creedmoor, on December 2, 1963. Although our attendance goal of 425 was not reached, never-the-less "M" Night was a success. Our guest speaker for the evening was Dr. James Blackmore from Southeastern Baptist Theological Seminary. A very inspiring message with many challenges was heard by all.

The Associational Tournaments was held the night of March 17, 1964, at Tabb's Creek Baptist church. The attendance was a very disappointing 81 present. We believe those of our fellow Christians who took part in the tournament deserved more support from their pastors, church officers and church members than was apparent. How can we as church members and leaders expect them to support us in other church activities that we might be responsible for, when we fail them in their hour. We were fortunate to have participants in all categories with one exception, with the winners advancing to the IV Regional Tournament held at the Angier Avenue Baptist church in Durham on April 13, 1964. We are happy to report that 3 Junior Memory Work participants representing this Association, won Regional honors and advanced to the State Tournaments.

Our Youth Night program was held the night of March 21, 1964, at Hester Baptist church. This was the most successful event of the year for our Training Union Department. Our attendance for this event doubled the previous year, having 104 people from across our association join together in a night of Christian Fellowship. The feature for the evening was a movie entitled "The Unfinished Task" which portrayed the lives of Christians in their determination to carry forth the Gospel Message to the unsaved thousands on this earth today. Seeing this movie caused me to wonder if we of this generation will leave behind us examples that will inspire the youth of today to make the sacrifices of will and self so that Christianity will remain alive for the coming generations of our children and grand-children. May we measure up to the task before us. The evening was climaxed with a very enjoyable social hour.

We turn our thoughts to the coming year knowing full well that there is much to be done, for training is an endless necessity of life. We must train and develop our minds and bodies in all areas if we are to be useful citizens. The Training Union is one source of training from which we can draw upon just as our schools supply another need to life. So we look upon the future with hope:

—That more of our churches will provide Training Unions for their members
—That more men and women will dedicate themselves to Training Union work
—That more parents will join the ranks of our youth in the Training Unions of our churches
—That more of our youth will seek the guiding counsel that our Training Union offers
—That more of our pastors will throw their whole support behind the Training Unions of the churches they pastor.
—That more of the Deacons of the churches will set the example, leading their congregation in the Bible guided studies of our Training Unions
—That more of our church officers, teachers and leaders will encourage their church members to complete every "Lord's Day" in the fellowship of Training Unions

—And that more of our church members will seek out the sinner and the unsaved with a call to learn of the Savior's bountiful love and saving grace May we join together our efforts to make the new year the most joyous Lord's year ever.

Respectfully submitted,
Luey Finch

c. The Report of the Woman's Missionary Union was adopted and discussed briefly by Mrs. W. J. Edwards.

WOMAN'S MISSIONARY UNION

Woman's Missionary Union has celebrated worthily the year of the Jubilee and looks ahead to participation, with all the Southern Baptist Convention, in the five year emphasis on the church and her functions. Plans have been formulated and set in motion to aid the Church in Fulfilling It's Mission Through Worship in the coming year.

We are pleased that Flat River was one of seventeen Associations in our state to receive recognition as an Honor Associational Woman's Missionary Union for the year of 1962-63 and it is our desire that even more can be accomplished through our organization for the cause of Christ and His Church in our association and around the globe. We are also pleased that the first Associational Day Camp for Sunbeams was held this past June at Hester Baptist Church with ten churches represented. Ninety-four was the total enrollment. We hope this Day Camp will be an annual affair, the first being so successful.

Even though much has been done—much is to be desired; especially so in the area of Youth Work, YWA's in particular. As a concerned Christian, won't you pray about the youth of your church, asking God to use you and then contact your local or Associational WMU leader with an offer to counsel a youth group in your church?

Woman's Missionary Union has assumed four tasks it might perform for its church.

1. Teach Missions
2. Lead Persons to Participate in Missions
3. Provide Organization and Leadership for Special Mission Projects
4. Provide and Interpret Information Regarding the Work of the Church and the Denomination.

From its beginning until the present, Woman's Missionary Union has not changed its major objective and responsibilities: To promote Christian Missions through Mission Study, Prayer, Community Missions and Stewardship; and to provide missionary education for women and youth. Therefore, these church tasks are embodied already in Woman's Missionary Union present plan of work—the Statement of Aims—and we pledge to support the Church and its Mission.

Respectfully submitted,
Mrs. Emmett M. Perry
Associational WMU President

d. The report on the Brotherhood was adopted.

BROTHERHOOD

Brotherhood's New Dimension

A NEW CONCEPT—Out of much research and prayerful study has come a wider and more adequate concept of the nature and work of Brotherhood. This new concept may be stated as follows: "A Brotherhood is a fellowship of Baptist men, members of the church, organized to advance the cause of Christ through a program of missionary education and the promotion of missionary activities, designed to inform, motivate and involve men in the mission task of their church."

BROTHERHOOD AND MISSIONS—A study of the developing programs of the other church organizations reveals that the only organization in the church with a program of missionary education and missions promotion involving men (and boys) is the Brotherhood. This means, of course, that if a church is to accept the recommendations of our denominational leaders to provide men and boys with missionary education opportunities and missionary service opportunities, such opportunities will be offered through the Brotherhood.

BROTHERHOOD'S NEW OBJECTIVES—The new concept of Brotherhood points to the following great objectives for Brotherhood: To lead men to—

1. A deeper commitment to missions
2. A more meaningful prayer life for missions
3. A larger stewardship on behalf of missions
4. A personal involvement in missions

ADAPTATION OF STRUCTURE—No change in the present Brotherhood organizational structure will be necessary. However, there will be a development and a new alignment of the four major Brotherhood emphases, and the setting of each on a solid missionary base. World Missions, for instance, will emphasize missionary education and commitment to missions. Developed in the area of Personal Stewardship will be an added emphasis on the support of missions. The area of Christian Witnessing will be tied on directly to Christian service through missionary activities and involvement; and work in Royal Ambassadors will be pointed towards missions advance.

HELPS ARE AVAILABLE—Every Brotherhood president should secure from the Baptist Book Store a copy of the CHURCH PROGRAM GUIDEBOOK and study it thoroughly. In connection with this should be studied a very helpful booklet entitled "The Role of Baptist Men and Boys in Missionary Education and Missions Promotion," which booklet will be furnished free upon request to your Brotherhood Department. Still another help is the October-November-December issue of the "Brotherhood Journal", the quarterly publication of the Brotherhood Commission, and 1964-65 BROTHERHOOD HANDBOOK, the annual publication of the Brotherhood Commission. This particular issue sets out guidelines for both Brotherhood men, to assist them adequately to comprehend the new program and to get it underway in their church. The Journal and the Handbook are available from the Brotherhood Commission, 1548 Poplar Avenue, Memphis, Tennessee.

Camp Caraway, the state Royal Ambassador camp, completed its first full season with 998 boys plus staff registered for one of the ten weeks. Adequate facilities are available for sleeping and feeding 100 campers plus staff each week.

The final payment on the 1,050 acre campsite will be made in January, 1965. Plans are underway for additional facilities to be available for the 1965 season.

Respectfully submitted,
James Sherman

e. The report on Music was read by Rev. Gary Crow and adopted.

ASSOCIATIONAL MUSIC MINISTRY REPORT

There have been four aspects of the Associational Music Ministry during this year of 1963-64.

1. Hymn Sings have brought inspiration and instruction as well as opportunity for choirs and emsembles from various churches of the Association to perform in a worship service.
2. The Associational Officers Clinic provided opportunity for Music Directors to study materials and methods of the graded choir program.
3. The Bible School Clinic featured study of the VBS Worship Service Music for music directors and pianists.
4. Opportunity for children to participate in a graded choir ministry, when their churches do not provide it, is given by the Music Ministry of the Oxford Baptist Church. Some thirty children, other than those of the Oxford Baptist Church, have been reached in this manner.

Respectfully submitted,
Gary Crow

f. The Evangelism report was adopted.

EVANGELISM

North Carolina Baptists promote and practice Evangelism because it is set forth in the New Testament as the topmost task of every Christian. To "Do the work of the Evangelist" is to follow the spirit and example of Jesus, His Disciples and the early Church. A Bible-centered program of Evangelism is a "must" for North Carolina Baptists. The Department of Evangelism seeks to keep alive the Master's passion for lost souls in a program that reaches into every church community. We believe that evangelism is complete only when the evangelized become evangelists.

The Annual State-wide Evangelistic Conference, which serves as revival for our leadership, met in Winston-Salem, February 10-13, at the First Baptist Church.

We also held an Associational Evangelistic Clinic on February 24, 1964, at Delrayno Baptist Church, led by Dr. Julian S. Hopkins, State Evangelism Director and Rev. Gary Harthcock, Assistant Director. It was a well attended meeting and wonderful in spirit.

Our Association had 225 baptisms which represents a decrease of 63 baptisms last year.

Interest and effectiveness in evangelism are growing among our people. We encourage every church to plan toward *two revivals* per year, or if this is not possible, try a *two week revival.* Jesus said, "As the Father sent me even so send I you."

Respectfully submitted,
E. A. Abbott

g. The report of the Missions Committee was given verbally by the Moderator, stating that work of this committee had been accepted by the Executive Committee of the Association and was covered in the Executive Committee report.
h. The report on Christian Literature was adopted. Mrs. Flora Mann spoke regarding the report.

CHRISTIAN LITERATURE

In reporting on Christian Literature, at this another annual meeting of our Flat River Churches, let us ask ourselves these two questions:

1. What have we learned during the past year from reading Christ centered literature?
2. What vision and concern have we caught as each of us undertook to respond to His high call of discipleship to "Go-Tell"?

We know that concern and vision of world needs and our Christian Witnessing have come as we traveled around the world in our reading of Christian Literature and each became informed through the printed pages of periodicals with free voices, publishing news for and about all Baptists, voicing editorial comments without fear or apology.

With these facts in mind, we must continually place great emphasis on Christian Literature in order that all grow in strength and stature toward the perfect example, Jesus Christ; with the concern and vision at heart of what lies ahead in winning others to Him.

Let us consider, for one moment, the materials available for our information and help in this great task:

First: The *Biblical Recorder,* now 131 years old, with its course fixed upon the primary purpose of service to the Baptists of North Carolina.

Second: The *Charity & Children* published each week by Baptist Children's Home. It has grown with the years and now has 55,000 subscribers. This paper is greatly loved because it is identified with ministry of child care.

Third: Our attention could be turned now to a review of the many other helps published by our Southen Baptist Convention, namely: The Sunday School Builder, Training Union Magazine, Brotherhood Journal, Church Musician, Church Administration, Home Life, The Quarterly Review, The Beam, Church Recreation,

Home Missions Magazine, The Commission, The Braille Baptist and others; with innumerable tracts on many subjects that are available free through our Sunday School Board, State Convention and our own Associational Office.

As we look further at our continued needs for studying and reading Christian Literature we can see that never has there been a day when the Christian Witness was more needed in dealing with the problems of the world. The church at work in the world needs all the information and insight it can get. Our democratic form of church government is founded upon the belief that people will do the right thing when properly informed. To help Baptists fill these needs the RECORDER and other BAPTIST PERIODICALS mentioned above, seek to do three things:

1. TO INFORM. Baptists cannot properly do until they properly know. With special attention to the interests and needs of Baptists in this state, these periodicals gather and publish significant news from as many sources as possible.

2. TO INTERPRET. Daily the world becomes more complex and events and personalities become more entangled. Most people face such a flood of information and propaganda from every direction that it is hard to sort out the important things, set them in proper context and understand them. With resources of full information, close contact with denominational leaders, pastors and others, plus many years of experience, the RECORDER and PERIODICALS, referred to, now seek to say something about the meaning of events as well as reporting them to us.

3. TO INFLUENCE. Like the individual Christian, our Baptist paper and Christian periodicals have responsibilities to let their lights so shine in the world; and our providing Christian Literature for the nourishment of the minds of many, young and old alike, that will build character and inspire all people everywhere to greater Christian witnessing, at home and abroad, does influence. Let each of us take a lead in seeing that every family in our church receives the RECORDER plus many, many other helps published by our Southern Baptist Convention brought to you in this report today, for these will help feed and guide us spiritually to be more faithful witnesses of His to the utmost parts of the earth.

Respectfully submitted,
Flora O. Mann,
Christian Literature Chairman

30. The report on Christian Citizenship was adopted.

CHRISTIAN CITIZENSHIP

"Righteousness exalteth a nation; but sin is a reproach to any people."
Proverbs 14:34

The development of Christian morality among Southern Baptists is of paramount importance. To fail to undergird the Southern Baptist witness for Christ in the great field of missions and evangelism with an uncompromising witness at the point of Christian morality would be to reject the clear teachings of the Bible and to refuse to heed the commands of Christ, the Lord.

While the present age has brought the nation an awe-inspiring technological advance and an abundance of material comforts, it has brought no corresponding improvements in moral conditions. We are deeply concerned that more than ten million Southern Baptists have utilized so little of their vast potential to reverse America's critical moral decline.

We, therefore, call upon every Southern Baptist to accept as his own these

essential biblical convictions and commands which are the basis of Christian citizenship.

1. The faith that God, as known to us in Christ, is the Lord of human history, of nations, and of events; and that his purpose includes righteousness in the corporate as well as in the personal relations of men.
2. The commandment of love, which involves sensitive caring for the welfare and dignity of all men as neighbors.
3. The call to repentance which is a call to transform what can be transformed for the sake of the neighbor.
4. The Christian understanding of sin, which includes the recognition that all men are inclined to demand more of their neighbors than they are willing to give in return.
5. The recognition that the neighbor whom we serve is no disembodied spirit, but a whole person who lives as a member of a community.

We believe that Christians can confront the immorality of this age victoriously when they and their churches are gripped by a Christ-like concern over anything and everything that warps human life.

Respectfully submitted,
Harris Woltz

STATE MISSIONS

"ROOTS AND FRUITS OF STATE MISSIONS" was the caption on an informational booklet from our state office. Even as we read these words, we realize that the whole kingdom of God on earth must have sound, deep rootage if its fruits are to bear witness to Jesus, the Christ. If the roots of STATE MISSIONS are grounded in the grace of God in Christ, we believe that the fruits will be great. This topic should also suggest to North Carolina Baptists that our faith must be rooted deeply before it can be meaningful and productive. It is the task of all to promote MISSIONS in this STATE.

STATE MISSIONS carry many witnesses throughout the state: Mission Pastors, Evangelism, Church Lots, Indian Work, Goodwill Centers, Prison Ministry, Church Development, Seminary Extension, Interracial Aid, Fruitland Bible Institute, Deaf Missions, Military Missions, New Churches, Associational Missions, Pastor's Schools, Training Union, Sunday School, Church Planning, W.M.U., R.A., Brotherhood, Music, Assemblies and Camps and B.S.U. This is the program of STATE MISSIONS which is supported by you, the Baptists of North Carolina.

There are multitudes of People in North Carolina who need the gospel of Christ presented to them and then, they need the facilities and training that will help them to grow in the grace which God gives. The Mission of the State seeks to reach each person with a need. Christ found people where they were, met their needs and then he elevated them spiritually. This is what we try to do in STATE MISSIONS.

New Churches looking for land for building sites frequently turn to the Baptist State Convention seeking aid from STATE MISSIONS in buying suitable lots. Forty-seven (47) churches and missions requested such aid during the early months of 1964. During the year 1964, $43,625.00 will be loaned to churches for this purpose.

The object of the Training Union Department is to assist the Churches to improve their leadership training. This is necessary to our churches if we are to grow. Through pastor-led enlargement campaigns, associational enlargement campaigns, training union weeks at Caswell and emphasis on Training Union throughout the year, our churches will grow and produce the kind of leadership that we need.

There were eight schools of missions with 98,350 members from 216 churches participating. Visible results of these schools were 73 conversions and 88 mission volunteers. The purpose of the schools of missions is to stimulate soul winning, encourage every church to organize a mission, to increase financial support of missions and to secure decisions for life commitment to vocational mission service.

STATE MISSIONS is a worthy cause. We should support this endeavor with our money and our prayers and ourselves.

Respectfully submitted,
Gleaton F. Rickenbaker

39. The report on the Cooperative Program was adopted and briefly discussed by the Rev. Walter C. Mitchell.

COOPERATIVE PROGRAM

Three words stand out as we think of the Cooperative Program. These words are total, united, and unified. The Cooperative Program gives us opportunity of a united front as we undertake a unified approach to meet a total world missions task.

The Cooperative Program is the hand of Christ at work. Through this program our churches join together in support of over 5,000 missionaries who bap-

tized over 58,000 people last year. Just as each individual church is given opportunity to be a part of a world-wide endeavor, in like manner each individual Baptist through his church is given opportunity each week to join hands in world evangelism. Indeed the sun never sets on the work of our Cooperative Program.

It is estimated that about one third of the tithe is given into the churches. The churches of our convention pass on through the Cooperative Program a little more than eight cents of each dollar of church income. To help the church in Stewardship Development the following programs are recommended to the churches:

The Forward Program of Church Finance
Growth in Christian Stewardship
Stewardship Development for Baptist Associations
Year-round Stewardship Development

We are happy to report that during the past associational year 31 churches in the Flat River Association gave a total of $40,682.00 in undesignated gifts through the Cooperative Program, and $38,293.00 in special offerings. Total gifts through the Cooperative Program amounted to $78,975.00, representing an increase of $1,786.00.

RECOMMENDATIONS:

1. We recommend that our churches focus attention upon World Missions, using four Wednesdays in October (or some other month) as *Cooperative Program Emphasis Month.*
2. We recommend that every church in the association give prayerful consideration to increasing the percentage now being given to missions through the Cooperative Program to undergird the world-wide work of our Lord.

Respectfully submitted,
Walter C. Mitchell

42. The report of the General Board was adopted and discussed by Mr. Leon Perkinson, Flat River's General Board member.

REPORT OF THE GENERAL BOARD

Article VIII—Section C of the Constitution of the Baptist State Convention states "Except as specifically limited by the constitution, The General Board shall have the power to act for the Convention in the interim between sessions, and shall have general supervision of all agencies and institutions fostered and supported by the Convention." More specific duties and responsibilities are outlined in the By-Laws. During the past year the General Board has met as required by the Constitution and By-Laws to handle these matters. In January, 1964 an organizational meeting was held, at which time Dr. E. W. Price, Jr. of Greensboro, N. C. was elected President. The Executive Committee whose function is to

serve in a dual capacity as the General Board ad interim deciding on routine and emergency matters between sessions of the General Board and as a survey and policy committee met almost monthly to perform the duties required of them. Matters of special interest were:

1. Increased giving to Cooperative Program—To-date 9.7% over last year.
2. Employment of Administrave Assistant to Dr. Crouch.
3. Creation of a new Department of Statistics and Survey—part of Church Programs Divisions.
4. Election of non Baptists and non residents of North Carolina to the Board of Trustees of all Baptist Colleges.
5. Participation in the Higher Education Facilities Act of 1963 by the colleges.
6. Adoption of a budget of $5,100,000 for presentation to the Covnention.

The General Board now consists of over 90 members with a recommendation that an additional 10 members be elected at large, one from each region of the state to facilitate this great work.

Your support, your cooperation, your prayers are urgently solicited in the promulgation of the gospel through our efforts in guiding all of the activities of our Convention.

Respectfully submitted,
Leon Perkinson

43. The report on the American Bible Society was adopted.

AMERICAN BIBLE SOCIETY

"God's Word for a New Age" is the theme of a program of missionary advance to provide greatly increased quanities of Scriptures urgently needed around the world.

If the people of the world are to know Jesus Christ, the one hope of men and nations, they must have the Bible.

Each person must have the Bible in his own language because it speaks to his heart as no other language can speak.

In most countries, people cannot afford even the cost of printing the scriptures. The Bible is the essential tool of missions and evangelism. The Bible itself is a missionary. It speaks to a person's heart after the missionary has gone.

The American Bible Society is an active partner of Southern Baptists. It serves mission work at home and abroad. It publishes without note or comment and distributes without profit. For the blind, it supplies Scriptures in Braille and other raised-letter systems.

The goal for the years just ahead is to increase the total world-wide Scripture distribution to 150 million volumes per year.

The long-range goals are:

A Bible for every Christian home
At least a New Testament for every Christian
At least a Scripture Portion for all who can read

An opportunity for every Christian to distribute Scriptures in personal witness.

During 1963 the American Bible Society—

—Rejoiced that some part of the Bible has been published in 1216 languages; the full Bible in 231, a Testament in 290 more. There are more than 1,000 languages yet without any form of Scripture.

—Gave almost a million Scripture volumes for distribution by Chaplains, to the Armed Forces and Veteran's Hospitals.

—Distributed a record total of over 34 million Scripture volumes in 144 languages in more than 120 countries.

Southern Baptists Support the Work:

Because the Bible Society serves mission work—and Southern Baptist missionaries depend on the Society for Scriptures they need for their people—Southern Baptist believe in the missionary importance of giving to the American Bible Society.

In 1963 Southern Baptist churches gave $167,498.00 to the Society. Methodists gave $172,771.00. Gifts from all churches in the United States totaled $1,120,277.00.

Southern Baptists could lead if every church would give. Has your church given anything?

Respectfully submitted,
Clarence Bishop

44. The report on the Annuity Board was adopted.

ANNUITY BOARD

In 1963, a total of 465 persons became annuitants. In this group were 123 widows, 297 age and 45 disability annuitants. They, along with the hundreds of others, received more than three and one fourth million dollars in widow-disability-retirement benefits.

There were 923 new churches who came into the Southern Baptist Protection Plan in 1963, with a total of 1,987 new members. The percentage of churches now Cooperating stands at 66. Annuity benefits paid in 1963 amounted to $3,052,213.00.

Early in the year a survey was made of churches not in the protection program. There were 1,700 churches whose pastors made $4,000 a year or more who were not in the program. This information was given to the annuity secretaries. An intensive promotion campaign was put into effect from June 15 through November 30, 1963. The results was the enlistment of 180 of these churches. With such promotion 1963 was the third best year in the Annuity Board's history for enlisting new members. A total of 1,987 ministers joining. There are now 16,025 churches in the plan. The Annuity Board report shows that there are 1,415 participating churches and 1,608 pastors in North Carolina in the Annuity Program. If you are one of those not in the program get in touch with the Annuity Board at 301 Hillsboro Street, Raleigh, North Carolina. The Reverend Guy S. Cain is Secretary.

Only 18 of our churches in the Flat River Association are now participating in the program.

Respectfully submitted,
Clarence Bishop

54. The report on Home Missions was adopted.

HOME MISSIONS

A progress report on the 30,000 movement nears climax. 2,299 missionaries serve in every state, Cuba, Panama and Puerto Rico. Mission opportunities in Puerto Rico were studied and the Board voted to support mission work there on a limited basis in 1964. An average of 30 missionaries were appointed each month last year. More than six and one half million dollars came from Southern Baptists for Home Missions through the Cooperative Program, the Annie Armstrong and from other sources of income. This amounted to about 62 cents for each Southern Baptist, five cents per month. Two-thirds of the more than four million dollars spent by the Missions Division went to the newer states.

Also most of the six and one half million dollars loaned to 479 churches in

1963 went to pioneer areas. 46,226 professions of faith were reported by the missionary force. This was a decrease from the 48,700 reported the previous year. There was also a decrease in Baptisms. Last year 381,510 and this year 355,325 baptisms.

The Church Extension Program is receiving increased emphasis in preparation for its role as the major vehicle to continue the 30,000 movement.

In 1964 by January 1, 5,884 churches and 16,016 missions had been started. Fourteen programs of work were adopted by the Board at its mid-year meeting, becoming effective January 1. They were Extension, Associational Administration Service, Pioneer Missions, Language Missions, Church Loans, Chaplaincy, Metropolitan Missions, Urban-Rural Missions, Jewish Work, Mission Center Work, National Baptist, Evangelism, Survey and Special Studies and Special Mission Ministries.

Courts Redford, Executive Secretary of the Home Mission Board, in his report to the Southern Baptist Convention in Atlantic City, said, "This is Home Missions Most Urgent Hour". The entire world looks to America for Christian leadership, but America cannot give what she does not continue to have.

8. The Report on Baptist Colleges was given by the Rev. Edward Yancey and was adopted.

NORTH CAROLINA BAPTIST COLLEGES

The seven Baptist colleges, to date, have graduated more than 45,000 men and women. These graduates are not only filling places of responsibility in the churches of their denomination, but are exerting a profound influence on religious, moral, and ethical life of communities in which they live.

Baptists realize that attending a Christian college can create closer ties between the student and his church, and a greater responsibility for Christian citizenship. Both of these are important in presenting a witness to a highly complex society.

Christians have long recognized that education has a vital role in spreading the Gospel of our Lord, Jesus Christ. At the present time more than 500 students in North Carolina Baptist colleges are preparing for full-time Christian service. Such trained leaders have made an invaluable contribution to our denomination. We should not forget that our present denominational leadership throughout the entire Southern Baptist Convention has been trained almost one hundred per cent in Baptist schools and colleges.

Educators agree that the seven Baptist colleges of North Carolina constitute one of the finest systems of denominational colleges in America. In order to maintain this recognition and meet the educational crisis in the United States, the colleges must have support. The operating budgets of these colleges now amount to more than $20,000,000 annually. The Cooperative Program is the lifeline for these budgets.

It is our rsponsibility as Christians to give our support to these colleges, both financially and spiritually. In doing so, we shall express the love of God as revealed to us in Jesus, His Son.

Respectfully submitted,
Edward Yancey

11. The Report of the Superintendent of Missions was read by the Rev. W. J. Edwards, discussed by him and was adopted.

SUPERINTENDENT OF MISSIONS

"Laborers together for God" could well describe the function of the associational task this year. We have had the splendid cooperation of all of those in associational leadership during the year. It has also been a good year in the churches. I am grateful for the services I have been asked to rinder on the local church level. This is an indication that we are accomplishing our purpose in rendering a meaningful service to and through the local church for God and our denomination.

It is always hard to itemize these services, but the following services have been rendered and reported to the Executive Committee and to the Division of Missions, Baptist State Convention of North Carolina.

I—IN THE CHURCHES:

a. Visits were made to every church in the association, some more than others for the purpose of rendering special services at the request of the church or special visits for historical events in the church. It has been my privilege to speak in every church but three during a Sunday worship service. In all, 113 different visits were made to the churches.
b. Made 289 specific contacts on the field with pastors and lay people.

II—IN THE OFFICE:

a. Mailed 8,686 pieces of mail which included 5,561 copies of the Flat River Baptist News.
b. Held 496 individual conferences, held 50 group meetings, and 35 com-

mittee meetings.

c. Routine promotion according to the calendar of activities which involved all of our organizations in planning and publicity, preparation for all associational wide meetings, editing and preparing copy for the Book of Reports, preparation and distribution of the calendar of activities, and preparations for the annual meeting.

III—OUTSIDE THE ASSOCIATION:

a. Made 12 visits to the campus at Southeastern Seminary to visit with our student pastors.

b. Attended the following denominational meetings: Supt. of Missions Conference, Raleigh; Conference on Evangelism, Durham; Stewardship Meeting, Greensboro; Southern Baptist Convention, Dallas; RA and GA Camp, Chowan; Supt. of Missions Conference, Fruitland; Home Mission Week, Ridgecrest; Associational Officers Conference, Durham; Extension Conference, Graham.

During the year, I have traveled 15,300 miles by car.

It is deeply gratifying that 31 of our churches have contributed more than $7,200.00 to associational missions, and a number have increased the amount of their support for the next year.

Our desire is to render the very best service to each church as the need arises, and we stand ready to respond to your request for assistance in any area of your church program. Our associational meetings have been planned to give those who wish it special assistance as indicated in the calendar of activities.

In the personal vein, we continue to be grateful for the many ways you have shown your love and concern for us. During our forced 25 days rest in the hospital, a number of the churches sent us love offerings which totaled $708.17.

We continue to be amazed at God's goodness and mercy to us as the days of "extended grace" granted have stretched into months. Our determination remains the same—to make each new day given us count for God's glory in service to Him.

Respectfully submitted,
W. J. Edwards
Superintendent of Missions

The Rev. Mr. Rickenbaker made a substitute motion that the reading of the reports be left to the discretion of the author. The substitute motion carried.

b. It was announced that the Rev. M. L. Banister was ill and could not be present.

c. Credit was given to Mr. A. C. Harrison of Butner for preparing the Front of the Book of Reports, and to the Rev. and Mrs. Phillip Morrow for preparing the stencils for Book of Reports.

21. The Report of the Homes for the Aging was brought by Mrs. Dougles Hite and was adopted.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

The day that North Carolina Baptists launched a ministry to the aging fourteen years ago was a good day indeed. During that time four homes for the aging have come into being, and a fifth one is in the making. Today there are 160 people in residence at Resthaven, the Hayes Home in Winston-Salem, the Albermarle, The Hamilton Home in Hamilton. When the proposed new home at Yanceyville is completed, there will be room for 200 of our elderly people.

This work of Christian love and growth is our together, and we could not go on without the concern, the prayers, and the financial support of our Baptist people This financial aid from the churches comes to us through two very vital avenues—the Special Day Offering, received on the third Sunday of February each year, and the Cooperative Program. In 1964, our Special Day Offering exceeded $96,000.00, which was an all time high. Through these gifts, we were able to supplement from 80% to 90% of our needy residents who could not be with us otherwise.

The waiting list now is 175 and grows almost daily. It is urgently hoped that the Special Day Offering for 1965 will be the greatest ever, in view of the ever increasing needs of the aging in our midst who seek our help.

As the great heart of the Saviour yearns for all in the various areas of human need, we are grateful that He has commissioned us to include also a special ministry to the aged among us. We have responded to His plea. We are giving an answer to Him for these elderly people who are very dear to Him, and we pray that every church in our State Baptist Convention will be very careful to give increasing emphasis to this vital ministry.

Respectfully submitted,
Mrs. Douglas Hite

22. The Report on the Baptist Hospital by the Rev. Charles Lloyd was adopted.

BAPTIST HOSPITAL

Your church has had a wonderful opportunity to express their love for the sick as you have given to our Baptist Hospital.

More than 35,000 sick people were seen in the clinics of our Baptist Medical Center last year, and more than 19,000 were hospitalized for bed care. These sick people came from all sections of our state, out of all kinds of financial circumstances, and with almost every type of serious disease and sickness known to man. Our own beloved Supt. of Missions, Brother Bill Edwards, was one of these figures; but more than that he was a living soul being treated there by the dedicated staff of men and women with one desire, to be used by God to help someone.

The ministry of our hospital to people who are seriously ill and in meager circumstances lies at the very heart of its total work. All of our Mother's Day offerings are used for this purpose: when the doctors have given their skilled services without charge to these patients, and the money available from all other sources is added, every dollar we give is multiplied nine times over in free service to those who need help.

You have a high privilege to minister in the name of the Great Physician through our hospital to the multitudes of sick. May we together accept this holy opportunity of service.

Respectfully submitted,
Charles F. Lloyd

23. The Report on the Baptist Children's Homes was brought by Mrs. Otis Huff and was adopted.

BAPTIST CHILDREN'S HOMES

The care of dependent, neglected, and homeless children is the central mission of the Baptist Children's Homes of North Carolina. In addition to providing care for children it is the purpose of the Homes to join hands with other Christian forces to strengthen wholesome, Christian family life throughout the state. Our people have supported this ministry in a most generous and commendable way.

Pastors, along with many church and community leaders, are alert to children who need Christian concern and care. When these cases are discovered, they are referred to the Children's Homes; and a caseworker makes a study of the case. In some instances, financial aid may be given to a family in order to keep it together. In some cases the home is completely broken up, and another plan must be made for the child. The case worker must know what the child needs in order to grow into a healthy and emotionally sound person. The child will be placed in the Baptist Home best suited for him and will be provided with the kind of care which should help him to grow physically, mentally, emotionally, and spiritually into an healthy adult.

Often someone will say "How can we help the boys and girls at our Children's

Homes?" Certainly you can pray for them. They believe in prayer, and through the years they have seen how God has used many friends both to pray for them and to help them with the things they needed. As your church supports the Cooperative program, you can make it possible for the Baptist Homes to continue to make a home for homeless children.

Members of the Board of Trustees of the staff of the Children's Homes are committed to the task of maintaining a Christian program of child care—a program that will merit the undivided support and loyalty of our people and that will bring honor to our Lord. Jesus concerned himself with the need of the underprivileged people of His day. The followers of Christ can do no other.

Financial support for the past year has come from the following sources: Cooperative Program—36 per cent, Thanksgiving offering—31 per cent, Once-a-month offering—14 per cent, all other offerings—19 per cent.

Respectfully submitted,
Mrs. Otis Huff

26. REPORTS ON ASSOCIATIONAL WORK:
a. The Sunday School Report was adopted.

SUNDAY SCHOOL

The commission of our Lord continues to be the marching orders of Christians. We are to "Go and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost; teaching them to observe all things . . . "

The Sunday school is the church exercising the teaching function through an organization staffed by church-elected teachers and officers, and set to the fourfold task of reaching, teaching, winning, and developing people for Christ.

Southern Baptists are seeking to enroll ten million in Sunday school by 1970. To achieve this goal, we must have an enrolment gain of around 30% in the next five years. We are asking the churches of this association to accept this challenge by accepting goals of 3% increase for 1966, 4% for 1967, 5% for 1968, 6% for 1969, and 7% for 1970. Our Sunday schools will grow as we show compassionate concern for the unreached. Evangelism, stewardship, discipleship, and missions wait upon outreach.

How this can be achieved: By organizing new Sunday schools to gain at least 30; by organizing Extension Bible Classes to gain 10 for each unit; by beginning new adult classes to gain 6 each; by activating Extension, Cradle Roll, and Young

People Away Departments, to enroll 6 each; and enrolling Vacation Bible School pupils not in Sunday school.

If we will follow the simple growth formula suggested by Dr. Arthur Flake years ago—locate the prospects, enlarge the organization, provide needed space, enlist and train workers, and visit the people—we will reach more people for Bible study, baptisms will increase, Christian stewardship will become a reality; and our churches will be strengthened.

We urge the churches to observe January Bible Study Week, to plan a church and mission Vacation Bible School, promote Operation Home Study and other opportunities for training; cooperate in the Adult Thrust, to participate in the associational Sunday school projects—clinics, conferences, etc. and attend the Sunday school weeks at Caswell and Ridgecrest. When our Sunday schools begin to move forward, our churches will move forward.

In 1963 our Sunday schools reported an enrolment of 7,363 as compared with 7,316 in 1964. Here we observe the trend in the Flat River Association to be downward, in that we lost 47 in enrolment in a year. Let us change this trend by positive planning and action in 1965 and 1966, and continue this on through 1970 to achieve our purpose in Sunday school.

Respectfully submitted,
Gilmer J. Beck
Associational Sunday School
Superintendent

b. The report on the Training Union was adopted.

TRAINING UNION

The calendar of activities in the Training Union Department for the associational year 64-65 included our "M" Night Program in December of 64, our tournaments in March of 65, our Youth Night Program in August of 65 and Action Night in September of 65.

The "M" Night Program was held at the Stovall Baptist Church on the 30th of November. Although snow fell most of the afternoon attendance was good with eleven churches represented including ten Training Union Directors and nine Pastors. For the first time appropriate awards were made for the best "Training Union of the Year" and for the Training Union having the best "Grade for the Year." The winners for these awards were Stovall and Tabbs Creek respectively.

The Providence Baptist Church was host for our March tournaments. This program was held on the 23rd of March and the number in attendance was fair. We had the smallest number participating in the tournaments that we have had in recent years. Winners from each category qualified for the regional tournaments held later in the year.

Our biggest disappointment in the year of activities was our Youth Night Program held August 21st at Delrayno Baptist Church. This was one of the best Youth Night Programs in some time and we were hopeful that our youth would support it. There were only 22 who attended this program.

The Training Union Department joined the Sunday School Department for "Action Night" at Tabbs Creek Baptist Church on September 14th, 1965. Plans were made for the new year, new Training Union materials were reviewed and new Training Union responsibilities were outlined. We had a fine group of Training Union leaders present.

In total I think we have had a successful Training Union year and I would like to thank all who have supported the Training Union Program in your own Church and in the Association.

Respectfully submitted,
Luey Finch

c. The report on the Brotherhood was adopted.

BROTHERHOOD REPORT

BROTHERHOOD IS a unique organization of the church in that its membership is composed only of Baptist men of the church. It exists for the purpose of helping the church achieve its missions tasks.

BROTHERHOOD IS an educational organization with distinctive objectives and ministries. It fulfills a role assigned only to this group in the educational program and in the work of the church as it majors upon missionary education and missions promotion.

BROTHERHOOD IS a fellowship of Baptist men, members of the church, organized to advance the cause of Christ through a program of missionary education and missions promotion designed to inform, motivate, and involve men in the missions tasks of the church.

BROTHERHOOD IS responsible for missionary education for men, young men, and boys in Southern Baptist churches, which is one of the greatest needs of this day. Its study program is designed to interest and challenge the men and boys of the church in becoming mission-minded Baptists. It permeates such major areas as Christian witnessing and personal stewardship as they vitally relate to missions in the community, state, nation, and world.

BROTHERHOOD OBJECTIVE IS TO LEAD MEN TO - - -

1. A deeper commitment to missions.
2. A more meaningful prayer life for missions.
3. A larger stewardship on behalf of missions.
4. A personal involvement in missions.

Two new Brotherhoods have been organized during the past year making a total of 13 Brotherhoods in our association.

Respectfully submitted,
James Sherman, President

d. The report of the Woman's Missionary Union was adopted.

WOMAN'S MISSIONARY UNION

Woman's Missionary Union has participated whole-heartedly in Southern Bap-

tists' emphasis, "A Church Fulfilling It's Mission Through Worship", and it is with anticipation we plan this year's work "A Church Fulfilling It's Mission through Proclamation and Witness." WMU's concern for Christian witnessing is fundamental to the organization itself. Emphasis on World Concern is found in its organizational phases of study, prayer, stewardship, community missions, and education of youth. Every WMU member from the adult woman to the Sunbeam has the responsibility to proclaim the good news of salvation. WMU's Aims for Advancement outlines witnessing individually and in planned activities. These aims need to be emphasized and more faithfully supported.

Believing that more WMU organizations can mean more witnessing channels, WMU has adopted Operation 100% as a goal for this year. This is a plan to organize some WMU group in every church. Of the 3,423 churches in N. C., over 1000 have *no* WMU organization of any age group. We request your prayers and support in our attempts at growth. In our association of 32 churches 30 have a Woman's Missionary Society. Sixteen churches have YWAs, 26 churches have GAs, and 22 churches have organized Sunbeam Bands. Over and over we plead for attention to our Youth. Perhaps there is some age group in your church for which there is no organization teaching them the importance of missions because you refuse to give of your time to counsel such a group. Please pray about what God would have you do.

Each of our WMU groups has been organized on an associational basis and meets annually on the association-wide level under direction of an Associational WMU officer. It is the purpose of Associational WMU to assist and promote local organizations in their mission activities. We have the progress of each local group as our goal. May we all gain strength through united effort to lead women and youth into Proclamation and Witnessing.

Respectfully submitted,
Mrs. Emmett M. Perry
Associational WMU President

e. The report on Evangelism was adopted.

EVANGELISM

True Evangelism has for its aim the reaching of people with the saving gospel of Jesus Christ and leading them to become His disciples. The evangelism of our people last year resulted in 196 professions of faith and 140 additions to our churches by statements, transfer of letter, etc. The associational evangelism conference for this year will be held on Tuesday, March 1, 1966 and the State Evangelistic Conference will be held at Greensboro on February 7-9, 1966.

Everyone who attended was greatly challenged at the conference this year in Durham on February 15-17.

All the churches of the association held at least one revival meeting during the year and a number held two revivals. May we urge all the churches to plan toward two revivals, or toward a 10 day or a 2 week revival. The supreme need NOW is for dynamic Christian living on the part of all who know Christ as Saviour and Lord. The world around us is in desperate need of knowing

Him who is The Way, The Truth and The Life. We need a soul-thrilling, soul-awakening, life-redeeming revival that will bring to all our churches new zest, new enthusiasm and new vision. Let's all join together in bringing about a real spiritual revival to revitalize our churches and put them in the place of power and influence which they should hold in the life of our community. God's great message of love and care for the world must be made known through the lives of the people in our churches.

Respectfully submitted,
E. A. Abbott
Chairman of Evangelism

g. The Christian Literature report was adopted.

CHRISTIAN LITERATURE

There are so many quesetions that each of us could better answer for ourselves if we would only be more careful to feed our minds and souls daily—reading more Christ-centered literature.

Christian literature is a tremendous force in the lives of our people today. In our country virtually all persons read, and what they *read,* is largely what they *believe.* With serious moral issues and problems of all kinds facing us on every hand, Baptists need accurate and understandable sources of information. Secular papers cannot meet this need, for these papers cover so many things—sports, society, business, obituaries, entertainment, national and foreign affairs, to mention a few. Looking at these facts, we ask ourselves this question, "Where can we get coverage on Baptist events and how can we grow in strength toward the example of Jesus with the concern and vision at heart of what lies ahead in winning all to Him?"

First: The *BIBLICAL RECORDER* with its present circulation is the one publication covering the entire field of our cooperative efforts of Baptists. Without our State Baptist paper a successful promotion of all our Baptist work would be very near impossible. For 132 years the *RECORDER* has been going into many Baptist homes with its weekly message. In so many ways the *RECORDER* serves its readers for people have said they felt like they had attended Conventional meetings for this paper served as their eyes and ears when they could not attend such meetings. The reading of this paper informs, interprets, inspires and causes you to want to pass on your influence in greater Christian witnessing.

Second: Along with our state paper our denomination furnishes an abundance of good literature. THE CHARITY & CHILDREN informs us each week about our Baptist Orphanage. Every W.M.U. member knows how essential it is to have the *Royal Sercice* and the help found in *Home Mission Magazine* and

Commission. The *Window* for the Y.W.A., *Ambassador Life* for the R.A., *Tell* for the G.A. and *Sunbeam Activities* for the Sunbeams.

Third: The *Builder* for our Sunday School workers and the *Training Union Magazine* for Training Union Workers and *Quarterlies* for all age groups in Sunday School and Training Union. Each family needs a copy of the *Home Life*—Daily Devotional help. The*Braille Baptist* is available and many other pamphlets too numerous to mention.

In our search for: knowledge and wisdom,
better understanding of world needs,
showing of our love and kindness to all people,
and growth in character

we could find much good help in the daily reading of some of this literature mentioned today. The placing of this literature in many homes, churches and public places becomes our responsibility as each of us seeks to better Fulfill the Mission of the Church Through Worship. When used it will enrich the private worship of all who read it and bring new spiritual depth to daily devotion while God increases our talents and opportunities to help people around the world.

Flora O. Mann, Chairman

27. Hymn: "I Love To Tell the Story"
28. The report on State Missions was adopted.

STATE MISSIONS

The purpose of the State Mission program is: To share the Gospel of Christ with all people of North Carolina; to strengthen each church in its local work and world mission responsibility; to establish new churches through the organization and development of missions; and to cultivate a spiritual climate favorable to Christian life and the development of a Christian society.

State Missions is like a two-way road. One lane leads from our church to every part of North Carolina. The other lane leads back to our church.

As we use programs, materials, and convention workers in our Sunday School, Training Union, Woman's Missionary Union, Brotherhood, Music, and in planning our church work, we are receiving aid from State Missions.

The fruits of State Missions can be seen in the new churches, salary supplements for mission pastors, associational missions, evangelism, church development, seminary extension, aid on church lots, missions to the deaf, Fruitland Bible School, pastors' schools, interracial aid, missions in the prisons, Good-Will centers, Indian mission work, military missions and all other General Board work.

From Virginia Highfill, North Carolina missionary in Tokyo, Japan, comes this word about the fruits of State Missions. "Recently a letter was forwarded to me from Marjorie Jones, Conventionwide F.A. Director. A Japanese woman had been asked to serve as G.A. Counselor for a church in Winston-Salem. Not knowing G.A. work nor the English language very well, she wrote for a japanese translation of the G.A. manual! In correspondence with the woman, I have learned that she was originally at Cherry Point and through the influence of North Carolina mission work there, was won to Christ and baptized in 1961. Now she is serving as G.A. Counselor!" What thrilling results come when we serve through State Missions.

One of the greatest challenges facing Baptists is that of matching our evangelistic fervor with an equal zeal for developing those we win in order that a continuous harvest from State Missions may be reaped in all the years to come. With God's help we will meet the challenge of the future in our State Mission Work.

Mrs. H. Oliver Davis

29. The report on the Cooperative Program was adopted.

COOPERATIVE PROGRAM

The Cooperative Program was launched May 13, 1925, at the Southern Baptist Convention in Memphis, Tennessee. The year 1965 marks the 40th. anniversary of this foundation for our total missionary endeavor. It is in truth the 'life-line' of our total cooperative witness and service.

Now a new note of optimism and Missionary Advance is perceptible among Baptists. Already supporting the work of 2,000 foreign missionaries, 2,500 home

missionaries, and more than 100 missionaries in North Carolina we have been challenged by Dr. Baker James Couthen, Secretary of the Southern Baptist Convention Foreign Mission Board, to send out 5,000 foreign missionaries in the years immediately ahead. This will mean greater sacrifice and greatly increased giving on the part of Baptists everywhere. Other advances are before us. Now 52.27% of the southwide Cooperative Program dollar is allocated to Foreign Missions. More than 1300 Baptist churches have set goals as a part of the Convention emphasis to enlist 2,000,000 tithers by October 1966. A new study book is just off the press giving the history, use and purpose of the Cooperative Program.

We recommend:

1. That the churches participate in the TITHE . . . NOW! Emphasis.
2. That the churches study this year the book entitled: "Our Cooperative Program" by W. E. Grindstaff.
3. That the churches give regularly through the Cooperative Program.

37. The report of the Christian Life Committee was adopted, and was discussed by the Rev. Warren Bush.

CHRISTIAN LIFE COMMITTEE

The area of life that needs most to be strengthened in our society is the home. The breakdown of the family structure is causing increased juvenile delinquency, adultery, mental illness and a general breakdown of morals. Many homes are afflicted with the use of very bad literature. The use of beverage alcohol is becoming the accepted practice in many of our homes.

The Christian Life Committee suggests that our churches do all in their power to strengthen the homes of its members. It also recommends that the local church re-examine its program for youth and attempt to strengthen it in content of its teaching and also its recreation.

38. ADDRESS: Dr. Thomas A. Bland, Professor at Southeastern Seminary addressed the Association on "Christian Life."
39. Hymn "Blessed Assurance"
40. The report of the General Board was read by the Rev. Warren Bush in the absence of Mr. Leon Perkinson, the Flat River representative on the General Board. The report was adopted.

REPORT OF THE GENERAL BOARD

The General Board met three times during this year with its Executive Committee meeting on a monthly basis. The General Board has the responsibility and power to act for the Convention in the interim between sessions and has general supervision of all agencies and institutions fostered and supported by the Convention. Our churches have given full support and cooperation to our Convention and with the exception of two recommendations of the General Board, the Convention, at its annual meeting last November, adopted its suggestions and recommendations.

During this year, I am happy to inform you that our Cooperative Program Income as of October 12, 1965 was up 4.52% over the same period for the year 1964. On this basis a budget of $5,400,000 will be recommended to our Annual Convention with a goal of $5,600,000 being recommended for 1966. If this goal is reached the overage of $200,000 will be distributed as follows:

30% to Southwide Objects
30% to Colleges
30% to Social Service Institutions
10% to State Missions

Other matters of interest were:

1. Revision of salary scale for Convention and General Board Employees to become effective January 1, 1966.
2. Adoption of a "Five Year Program of Spiritual Growth."
3. Appointment of a Committee of Laymen to study Pastors' Salaries.

4. Report of a "Committee of Twenty-Eight" to study the immediate financial needs that would keep our colleges on an acceptable educational level. In brief, this Committee recommended that the churches rally to the support of its colleges through increased giving to the Cooperative Program and give special emphasis to the "Christian Education Day" offering.
5. Recommendation to increase size and scope of Fruitland Bible Institute.

Again, your support, cooperation and prayers are solicited in the promulgation of the gospel through our efforts in guiding the activities of our Convention.

Respectfully submitted,
Leon B. Perkinson

41. The report on Music was given verbally by the Rev. Marshall Tribble, in which he discussed the purpose of the Associational Hymn Sings, the need to learn new Hymns, and the possibility of a Seminary Extension class for Music leaders of the churches. The report was adopted.
42. The report on the Annuity Board was adopted. The Rev. W. J. Edwards discussed the report.

ANNUITY BOARD

On October 1, 1964 the Life Benefit Plan was launched for pastors and denominational employees to supplement the life protection policy that has already exceeded 10,000 active participants. The coverage ranges from ten to thirty thousand dollars at death, for those under 46 years of age, plus graduated benefits to those older for the dues of $3.34 to $10.00 per month.

It is hoped that a health benefit plan will have its beginning by October 1, 1965 that will include hospital, surgical, and major medical protection. There must be 5,000 applicants by September 1, 1965 to put this program into effect.

Many annuitants receiving monthly benefits have compared this aid to "Manna from Heaven." Since 1918 almost 47 million dollars has been paid out in relief and annuity benefits to the servants of God in the Southern Baptist area. There was 3½ million dollars, in 1964 alone, paid to ministers and denominational workers or to their families.

There are more than 16,352 churches taking part in this Protection Plan for their pastors benefits, with approximately 10,000 of the above churches paying the total 100% dues.

More than 25,000 members are in the Annuity Board's retirement plans. Also, 127 of the 176 educational institutions, hospitals, children's homes, homes for the aged, as well as other southern agencies protected by one of the programs of the Annuity Board are in the plans. At present, seven states have 70% or more of the churches in its plan with North Carolina rating 46% of its churches in the Ministers Protection Program.

Flat River Association has 21 churches and the Association itself taking part in the plan. They are named as follows: Amis Chapel, Bullock, Butner, Concord, Corinth, Creedmoor First, Delrayno, Dexter, Enon, Flat River Association, Florence Avenue, Hester, Island Creek, Mountain Creek, Mount Zion, Olive Grove, Oxford, Peace's Chapel, Pleasant Grove, Rock Spring, Stovall, and West Oxford Baptist Churches.

Reverend Guy Cain, 301 Hillsboro Street, Raleigh, North Carolina 27600, as field representative, will serve in any way he can to help for a better understanding of the total program for everyone concerned.

Respectfully submitted,
Lucy G. Lyles

51. The Report on the Baptist Foundation was adopted.

BAPTIST FOUNDATION REPORT

During the past four years the Foundation has been actively presented to the Baptists of North Carolina through the associations, churches, group meetings and through other media of communication. Our reception has been a most cordial and pleasant one. When the Baptists are properly and fully informed on any program, they can be depended upon to act wisely. Our main concern during these past four years has been to let our people know exactly what the Foundation is; how it functions; the various classes of people, churches, associations, conventions and agencies it represents as well as putting particular emphasis on Christian will making.

Memorial investments in the Foundation have gone from $60.11 to approximately $450,000. No sum is too small to merit our attention nor too large to be adequately handled. One of the strong characteristics of the Foundation lies in its fifteen member Board of Directors. These men are businessmen who give

their business genius and ability to the work of the Foundation without any remuneration whatsoever. They want to invest a part of their time and talent in this phase of Kingdom work.

It is my great pleasure to assure you that The North Carolina Baptist Foundation, Inc. is a going concern. Our people throughout the State are responding in a very fine manner to the services offered through the Foundation. This report would not be complete if I did not pay particular tribute to the excellent cooperation I have received from the pastors of the Convention. This program cannot succeed without their active participation and they have not hesitated to graciously give aid and comfort to the program. The years ahead look bright. Call on us if we can help you.

Respectfully submitted,
C. Gordon Maddrey
Executive Secretary

52. ADDRESS: Mr. C. Gordon Maddrey, Representative of the Baptist Foundation addressed the Association concerning the work of the Foundation.
53. The report on Home Mission was adopted.

HOME MISSIONS

On January 1, 1965 Dr. Courts Redford retired as Executive Secretary-Treasurer of the Home Mission Board. Dr. Redford had served the Board as Executive Secretary-Treasurer for a period of eleven years during which time the Board enjoyed unusual growth and expansion. The Executive Secretary-Treasurer is Arthur B. Rutledge.

The Home Mission Board carries out its services through various programs. Two of the most important are:

1. *The Program of Evangelism*—This organization established and conducted the Australian Crusade which reported 4,700 professions of faith. This division also promoted and conducted crusades in Alaska, Hawaii, and Panama. This division also cooperated with the State Secretaries of Evangelism in promotion and conducting the convention-wide simultaneous crusades.
2. *The Program of Church Extension*—This division works in conjunction with the States and Associations and also holds a conference on church extension at our two Baptist assemblies at Glorietta and Ridgecrest. The report of the 30,000 Movement disclosed work in 18,226 missions and the organization of 6.658 churches having been established through June 30, 1964.

Many other programs are carried on by the Home Mission Board. For information about these programs consult the Southern Baptist Convention Book of Reports, June 1965, pp. 87-97.

At the close of 1964 the Board had 2,372 persons under appointment in mission service.

The Home Mission Board serves in all fifty states and three Caribbean countries.

The adventure of Home Missions is effectively told in the monthly publication of the Home Missions Magazine.

This is a very select and limited report of the work carried on by the Home

Missions Board. For additional information you are advised to consult the 1965 Book of Reports and subscribe to the Home Missions Magazine.

Respectfully submitted,
James N. Perry

56. Hymn: "O God, We Pray For All Mankind"
57. The Report on Foreign Missions was adopted.

FOREIGN MISSIONS

At the close of 1964 there were 1,901 missionaries under appointment (150 appointed during the year) by the Foreign Mission Board assigned to 57 countries. A new program calls for 5,000 missionaries at the earliest possible date. Two hundred new missionaries have been appointed in 1965 and volunteers continue to dedicate their lives to this work each week.

Large efforts in evangelism were particularly fruitful in Mexico, Ecuador, Portugal, and Lebanon. In many lands the mass medium of radio and television is being used in the rapidly growing development of Christian witness.

There are now 4,231 churches on mission fields of which 2,617 are self-supporting. In addition there are 7,482 chapels or mission points. Baptisms totaled 43,403 and church membership reached 549,921. There are 174,350 students enrolled in 1,110 schools extending from kindergarten through senior college and seminary. In 29 hospitals and 49 dispensaries 39,364 inpatients and 395,207 outpatients were treated.

The recommendations made by the Foreign Mission Board each year usually exceed available resources by more than three million dollars even though our total gifts are on the increase annually. Total gifts to the foreign mission program in 1963 exceeded $22,000,000.00 and in 1964 these gifts were expected to be more than $25,000,000.00—but the need grows faster than the funds.

Through our prayers we should remember the dedicated men and women who serve as our missionaries on foreign soil and those who so faithfully serve in the offices of the Foreign Mission Board here at home—but we must continue

our gifts to support them on an even greater scale. The commission of our Lord has never changed, but we must ever meet the changing needs of those who are dedicated unto death, if necessary, to carry out His mission for the whole world.

Respectfully submitted,
Roger L. Patterson
